Consent Agreement and Final Order

A. Preliminary Statement

1. This is an administrative penalty assessment proceeding commenced and concluded under Section 113(d) of the Clean Air Act (the CAA), 42 U.S.C. § 7413(d), and Sections 22.1(a)(2), 22.13(b) and 22.18(b) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.1(a)(2), 22.13(b) and 22.18(b).

2. Complainant is the U.S. Environmental Protection Agency (EPA). The EPA Administrator has delegated the authority to settle civil administrative penalty proceedings under Section 113(d) of the CAA to the Division Director of the Region 5 Enforcement and Compliance Assurance Division.

3. Respondent is Spectrum Machine, a company doing business in Ohio. Respondent is a "person," as defined in Section 302(e) of the CAA, 42 U.S.C. § 7602(e).

4. The EPA and Respondent agree that settling this action is in the public interest and consent to the entry of this Consent Agreement and Final Order (CAFO) pursuant to 40 C.F.R. § 22.18(b)(2) and (3) without the adjudication of any issues of law or fact.

5. Respondent agrees to comply with the terms of this CAFO.

B. Jurisdiction

6. The alleged violation in this CAFO is pursuant to Section 113(a)(3)(A) of the CAA.

7. The EPA and the United States Department of Justice have jointly determined that this matter, although it involves an alleged violation that occurred more than one year before the initiation of this proceeding, is appropriate for an administrative penalty assessment. 42 U.S.C. § 7413(d); 40 C.F.R. § 19.4.

8. On October 31, 2024, the EPA issued to Respondent a Finding of Violation (FOV) and provided a copy of the FOV to the Ohio Environmental Protection Agency (OEPA), providing notice to Respondent and the OEPA that the EPA found Respondent committed the alleged violations described in Section E of this CAFO and providing Respondent an opportunity to confer with the EPA. On December 4, 2024, representatives of Respondent and the EPA conferred regarding the October 31, 2024 FOV.

9. The Regional Judicial Officer of Region 5 is authorized to ratify the Consent Agreement memorializing the settlement between the EPA and Respondent and to issue the attached Final Order. 40 C.F.R. §§ 22.4(b) and 22.18(b).

C. Statutory and Regulatory Background

10. The National Emission Standards for Hazardous Air Pollutants (NESHAP) for Secondary Nonferrous Metals Processing Area Sources at 40 C.F.R. Part 63, Subpart TTTTTT applies to brass and bronze casting foundries.

11. 40 C.F.R. § 63.11463(d), provides that an affected source is new if you commenced construction or reconstruction of the affected source after September 20, 2007.

12. 40 C.F.R. § 63.11464(b)(2), provides that if you start up your affected source after December 26, 2007, you must comply with this subpart upon initial startup of your affected source.

13. 40 C.F.R. § 63.11468(c), provides, in part, that for each new affected source as defined in 40 C.F.R. § 63.11463(d), you must install, operate, and maintain a bag leak detection system (BLDS).

D. Stipulated Facts

14. Spectrum Machine owns and operates a bronze metals casting foundry at 7071 Peck Road, Ravenna, Ohio 44266 that was constructed in 2011 and started up in 2011 or 2012.

15. The EPA conducted an unannounced CAA inspection of the Facility on July 17, 2024 (July 2024 Inspection).

16. During the July 2024 Inspection, no BLDS was observed for the affected emissions units, and the Facility's permit-to-install and operate (PTIO) did not mention a BLDS.

17. From December 2024 to February 2025, Respondent completed the following actions:

- a.* Received an updated air permit;
- b.* Installed a BLDS;
- c.* Submitted a notice of compliance status (NOCS); and
- d.* Got a Site Specific Monitoring Plan approved.

E. Allegations

18. Spectrum Machine failed to install, operate, and maintain a BLDS for the affected source(s) until February 2025, in violation of Subpart TTTTTT, at 40 C.F.R. § 63.11468(c).

F. Terms of Consent Agreement

19. For the purposes of this proceeding, as required by 40 C.F.R. § 22.18(b)(2), Respondent:

- a.* admits to the jurisdictional allegations in this CAFO;
- b.* neither admits nor denies the allegations stated in Section E of this CAFO;

- c. consents to the assessment of a civil penalty as stated below;
- d. consents to any conditions specified in this CAFO;
- e. waives any right to contest the allegations set forth in Section E of this CAFO;
and
- f. waives its right to appeal this CAFO.

20. For the purposes of this proceeding, Respondent:

- a. agrees this CAFO states a claim upon which relief may be granted against Respondent;
- b. acknowledges this proceeding constitutes an enforcement action for purposes of considering Respondent's compliance history in any subsequent enforcement actions;
- c. waives any and all remedies, claims for relief and otherwise available rights to judicial or administrative review that Respondent may have with respect to any issue of fact or law set forth in this CAFO, including any right of judicial review under Section 307(b)(1) of the Clean Air Act, 42 U.S.C. § 7607(b)(1);
- d. waives its right to request a hearing as provided at 40 C.F.R. § 22.15(c);
- e. waives any rights or defenses that Respondent has or may have for this matter to be resolved in federal court, including but not limited to any right to a jury trial, and waives any right to challenge the lawfulness of the Final Order accompanying the Consent Agreement; and
- f. waives any rights it may possess at law or in equity to challenge the authority of the EPA to bring a civil action in a United States District Court to compel compliance with the CAFO, and to seek an additional penalty for noncompliance, and agrees that federal law shall govern in any such civil action.

21. Based on analysis of the factors specified in Section 113(e) of the CAA, 42 U.S.C.

§ 7413(e), the facts of this case, and Respondent's cooperation, the EPA has determined that an appropriate civil penalty to settle this action is \$93,337.68.

- a. Respondent agrees to pay a civil penalty in the amount of \$93,337.68 ("Assessed Penalty") within thirty (30) days after the date the Final Order ratifying this Consent Agreement is filed with the Regional Hearing Clerk ("Filing Date").

22. Respondent shall pay the Assessed Penalty and any interest, fees, and other charges due using any method, or combination of appropriate methods, as provided on the EPA website:

<https://www.epa.gov/financial/makepayment>. For additional instructions see:

- b. Concurrently with any payment or within 24 hours of any payment, Respondent shall serve proof of such payment to the following person(s):

24. Interest, Charges, and Penalties on Late Payments. Pursuant to 42 U.S.C. § 7413(d)(5), 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to timely pay the full amount of the Assessed Penalty per this CAFO, the entire unpaid balance of the Assessed Penalty

and all accrued interest shall become immediately owing, and the EPA is authorized to recover the following amounts.

- a. Interest. Interest begins to accrue from the Filing Date. If the Assessed Penalty is paid in full within thirty (30) days, interest accrued is waived. If the Assessed Penalty is not paid in full within thirty (30) days, interest will continue to accrue until any unpaid portion of the Assessed Penalty as well as any interest, penalties, and other charges are paid in full. Per 42 U.S.C. § 7413(d)(5), interest will be assessed pursuant to 26 U.S.C. § 6621(a)(2), that is, the IRS standard underpayment rate, equal to the Federal short-term rate plus 3 percentage points.
- b. Handling Charges. The United States' enforcement expenses including, but not limited to, attorneys' fees and costs of handing collection.
- c. Late Payment Penalty. A ten percent (10%) quarterly non-payment penalty.

25. Late Penalty Actions. In addition to the amounts described in the prior Paragraph, if Respondent fails to timely pay any portion of the Assessed Penalty, interest, or other charges and penalties per this CAFO, the EPA may take additional actions. Such actions the EPA may take include, but are not limited to, the following.

- a. Refer the debt to a credit reporting agency or a collection agency, per 40 C.F.R. §§ 13.13 and 13.14.
- b. Collect the debt by administrative offset (i.e., the withholding of money payable by the United States government to, or held by the United States government for, a person to satisfy the debt the person owes the United States government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds, per 40 C.F.R. Part 13, Subparts C and H.
- c. Suspend or revoke Respondent's licenses or other privileges or suspend or disqualify Respondent from doing business with EPA or engaging in programs EPA sponsors or funds, per 40 C.F.R. § 13.17.
- d. Request that the Attorney General bring a civil action in the appropriate district court to enforce the Final Order and recover the full remaining balance of the Assessed Penalty, in addition to interest and the amounts described above, per 42 U.S.C. § 7413(d)(5). In any such action, the validity, amount, and appropriateness of the Assessed Penalty and Final Order shall not be subject to review.

26. Allocation of Payments. Pursuant to 31 C.F.R. § 901.9(f) and 40 C.F.R. § 13.11(d), a partial payment of debt will be applied first to outstanding handling charges, second to late penalty charges, third to accrued interest, and last to the principal that is the outstanding Assessed Penalty amount.

27. Tax Treatment of Penalties. Penalties, interest, and other charges paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

28. Pursuant to 26 U.S.C. § 6050X and 26 C.F.R. § 1.6050X-1, EPA is required to send to the Internal Revenue Service ("IRS") annually, a completed IRS Form 1098-F ("Fines, Penalties, and Other Amounts") with respect to any court order or settlement agreement (including administrative settlements), that require a payor to pay an aggregate amount that EPA reasonably believes will be equal to, or in excess of, \$50,000 for the payor's violation of any law or the investigation or inquiry into the payor's potential violation of any law, including amounts paid for "restitution or remediation of property" or to come "into compliance with a law." EPA is further required to furnish a written statement, which provides the same information provided to the IRS, to each payor (i.e., a copy of IRS Form 1098-F). Failure to comply with providing IRS Form W-9 or Tax Identification Number ("TIN"), as described below, may subject Respondent to a penalty, per 26 U.S.C. § 6723, 26 U.S.C. § 6724(d)(3), and 26 C.F.R. § 301.6723-1. To provide EPA with sufficient information to enable it to fulfill these obligations Respondent shall complete the following actions as applicable:

- a. Respondent shall complete an IRS Form W-9 ("Request for Taxpayer Identification Number and Certification"), which is available at <https://www.irs.gov/pub/irs-pdf/fw9.pdf>;
- b. Respondent shall therein certify that its completed IRS Form W-9 includes Respondent's correct TIN or that Respondent has applied and is waiting for issuance of a TIN;

- c. Respondent shall email its completed Form W-9 to EPA's Cincinnati Finance Division at wise.milton@epa.gov, within 30 days after the Final Order ratifying this Consent Agreement is filed, or within 7 days after the Final Order ratifying this Consent Agreement is filed should that happen between December 15 and December 31 of the calendar year. EPA recommends encrypting IRS Form W-9 email correspondence; and
- d. In the event that Respondent has certified in its completed IRS Form W-9 that it does not yet have a TIN but has applied for a TIN, Respondent shall provide EPA's Cincinnati Finance Division with Respondent's TIN, via email, within five (5) days of Respondent's receipt of a TIN issued by the IRS.

29. By signing this CAFO, Respondent consents to the release of any information in this CAFO to the public and agrees this CAFO does not contain business information that is entitled to confidential treatment under 40 C.F.R. Part 2.

30. By signing this CAFO, the undersigned representative of the EPA and the undersigned representative of Respondent each certify that they are fully authorized to execute and enter into the terms and conditions of this CAFO and have the legal authority to bind the party they represent to this CAFO.

31. By signing this CAFO, Respondent certifies the information it has supplied concerning this matter was at the time of submission true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that, there may be significant penalties for knowingly submitting false information, including the possibility of fines and/or imprisonment under 18 U.S.C. §§ 1001 and 1519.

32. Each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding, except in the case of a civil action brought by the Attorney General of the United States to recover unpaid penalties as described above.

G. Effect of Consent Agreement and Final Order

33. The parties consent to service of this CAFO by e-mail at the following e-mail addresses:

Baehr.Sarah@epa.gov (for the EPA), and ebuckley@Spectrummachine.com, and
KLAMB@Spectrummachine.com (for Respondent).

34. In accordance with 40 C.F.R. § 22.18(c), completion of the terms of this CAFO resolves only Respondent's liability for federal civil penalties for the violations specifically alleged in this CAFO.

35. This CAFO constitutes the entire agreement and understanding of the parties and supersedes any prior agreements or understandings, whether written or oral, among the parties with respect to this matter with the exception of the administrative compliance order, docket number EPA-5-25-113(a)-OH-4 issued concurrently.

36. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both parties and approval of the Regional Judicial Officer.

37. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, authorized representatives, successors, and assigns.

38. The EPA may use any information submitted under this CAFO in an administrative, civil judicial, or criminal action.

39. Nothing in this CAFO relieves Respondent of the duty to comply with all applicable provisions of the CAA and other federal, state, or local laws or statutes, nor does it restrict the

EPA's authority to seek compliance with any applicable laws or regulations, nor is it a ruling on, or determination of, any issue related to any federal, state, or local permit.

40. Nothing in this CAFO limits the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent and substantial endangerment to the public health, welfare, or the environment.

41. The EPA reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA, and to assess and collect any civil penalties permitted by statute for any violation described herein. The EPA will give Respondent written notice of its intent to revoke this CAFO, which will not be effective until received by Respondent.

H. Effective Date

42. This CAFO will be effective on the date of filing with the Regional Hearing Clerk. Upon filing, the EPA will transmit a copy of the filed CAFO to Respondent.
