2. This Consent Agreement and the attached Final Order shall collectively be referred to as the CAFO.
3. Having found that settlement is consistent with the provisions and objectives of the Act and applicable regulations, the Parties have agreed to settle this action pursuant to 40 C.F.R. § 22.18 and consent to the entry of this CAFO without adjudication of any issues of law or fact herein.

II. PARTIES

4. Complainant is the Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency (EPA), Region 4, who has been delegated the authority on behalf of the Administrator of the EPA to enter into this CAFO pursuant to 40 C.F.R. Part 22 and Section 16(a) of TSCA, 15 U.S.C. § 2615(a).
5. Respondent is CIMCO Management, LLC, a limited liability company doing business in the State of Florida. This proceeding pertains to Respondent's management of target housing located in the State of Florida.

III. GOVERNING LAW

6. Pursuant to Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d, also known as Title X of the Housing and Community Development Act of 1992, the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart F (40 C.F.R. §§ 745.100-119) pertaining to the leasing of “target housing.” Pursuant to Title X, it is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with a provision of Title X or any rule or order issued under Title X.
7. 40 C.F.R. Part 745, Subpart F imposes certain requirements on the lease of target housing. Generally, among other obligations under this Subpart, a lessor of target housing shall disclose to the lessee the presence of any known lead-based paint and/or lead-based paint hazards; provide available records and reports; provide the lessee with a lead hazard information pamphlet; and attach specific disclosure and warning language to the leasing contract before the lessee is obligated under a contract to lease target housing.
8. The term “target housing” is defined at 40 C.F.R. § 745.103, to mean any housing constructed prior to 1978, except housing for the elderly or persons with disabilities or any 0-bedroom dwelling (unless any child who is less than six years of age resides or is expected to reside in such housing).
9. The term “residential dwelling” is defined at 40 C.F.R. § 745.103, to mean a single-family dwelling, including attached structures such as porches and stoops; or a single-family dwelling unit in a structure that contains more than one separate residential dwelling unit, and in which each such unit is used or occupied, or intended to be used or occupied, in whole or in part, as the residence of one or more persons.
10. The term “lessor” is defined at 40 C.F.R. § 745.103, to mean any entity that offers target housing for lease, rent, or sublease, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
11. The term “lessee” is defined at 40 C.F.R. § 745.103, to mean any entity that enters into an agreement to lease, rent, or sublease target housing, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes, and nonprofit organizations.
12. The term “agent” is defined at 40 C.F.R. § 745.103, to mean any party who enters into a contract with a seller or lessor, including any party who enters into a contract with a representative of the seller or lessor, for the purpose of selling or leasing target housing.
13. Pursuant to 40 C.F.R. § 745.107(a)(1), before the lessee is obligated under any contract to lease target housing, the lessor shall provide the lessee with an EPA-approved lead hazard information pamphlet. Such pamphlets include the EPA document entitled “Protect Your Family From Lead in Your Home” (EPA #747-K-94-001) or an equivalent pamphlet that has been approved for use in that State by the EPA.
14. Pursuant to 40 C.F.R. § 745.113(b)(5), each contract to lease target housing shall include, as an

attachment or within the contract, in the language of the contract (e.g., English, Spanish): when one or more agents are involved in the transaction to lease target housing on behalf of the lessor, a statement that: the agent has informed the lessor of the lessor's obligations under 42 U.S.C. § 4852d; and the agent is aware of his/her duty to ensure compliance with the requirements of Subpart F of 40 C.F.R. Part 745.

15. Pursuant to 40 C.F.R. § 745.113(b)(6), each contract to lease target housing shall include, as an attachment or within the contract, in the language of the contract (e.g., English, Spanish): the signatures of the lessors, agents, and lessees, certifying to the accuracy of their statements, to the best of their knowledge, along with the dates of signature.
16. Pursuant to 40 C.F.R. § 745.115(a), each agent shall ensure compliance with all requirements of 40 C.F.R. Part 745, Subpart F. To ensure compliance, the agent shall:
 - (a) Pursuant to 40 C.F.R. § 745.115(a)(1), inform the lessor of his/her obligations under 40 C.F.R. §§ 745.107, 745.110, and 745.113.
 - (b) Pursuant to 40 C.F.R. § 745.115(a)(2), ensure that the lessor has performed all activities required under 40 C.F.R. §§ 745.107, 745.110, and 745.113, or personally ensure compliance with the requirements of 40 C.F.R. §§ 745.107, 745.110, and 745.113.

IV. FINDINGS OF FACTS

17. Respondent is, and was at all times relevant to this CAFO, an "agent" that offered contracts to lease "residential dwellings" that are "target housing," as those terms are defined at 40 C.F.R. § 745.103.
18. On May 7, 2024, an inspector with the EPA conducted an inspection at Respondent's office located at 5650 Stirling Road, Suite 4, Hollywood, Florida 33021, for the purpose of evaluating Respondent's compliance with the requirements of 40 C.F.R. Part 745, Subpart F.
19. At the time of the inspection, the inspector requested copies of Respondent's records to evaluate its compliance with 40 C.F.R. Part 745, Subpart F. Respondent advised the inspector that the requested records were not present at the office at that time but would be submitted after the inspection.
20. Subsequent to the inspection, on multiple dates, Respondent submitted records to the EPA for review to evaluate its compliance with 40 C.F.R. Part 745, Subpart F.
21. Based on a review of Respondent's records, the EPA determined that Respondent had entered into contracts to lease the residential dwellings that are target housing at the following locations on the specified dates listed below:
 - (a) 412 Northwest 16th Avenue, Pompano Beach, Florida 33069, built in 1963, lease entered into on July 31, 2023;
 - (b) 22 Southeast 10th Terrace, Dania Beach, Florida 33004, built in 1924, lease entered into on June 5, 2024;

- (c) 1915 Plunkett Street, Unit 4, Hollywood, Florida 33020, built in 1951, lease entered into on June 5, 2024;
 - (d) 1122 Northwest 4th Avenue, Unit 1, Fort Lauderdale, Florida 33311, built 1955, lease entered into on June 12, 2024;
 - (e) 7381 Northwest 37th Street, Hollywood, Florida 33024, built 1977, lease entered into on March 1, 2024; and
 - (f) 2613 Gulfstream Drive, Miramar, Florida 33023, built 1960, lease entered into on September 19, 2023.
22. The records submitted by Respondent to the EPA did not demonstrate that prior to entering into the leases referenced in Paragraph 21, Respondent had:
- (a) Included as an attachment or within the contract(s) to lease target housing a statement by the agent involved in the transaction to lease target housing that the agent had informed the lessor of the lessor's obligations, and that the agent was aware of his duty to ensure compliance, as required by 40 C.F.R. § 745.113(b)(5), for the target housing listed in Paragraph 21(a)-(f); and
 - (b) Included as an attachment or within the contract(s) to lease target housing the signatures of the lessors, agents, and lessees, certifying to the accuracy of their statements, to the best of their knowledge, along with the dates of signature, as required by 40 C.F.R. § 745.113(b)(6), for the target housing listed in Paragraph 21(b)-(f).

V. ALLEGED VIOLATIONS

23. Based on the EPA's review of the records submitted by Respondent, the EPA alleges that Respondent, in its capacity as an agent concerning the leasing of target housing described in Paragraph 21, failed to:
- (a) Include as an attachment or within the contract(s) to lease target housing a statement by the agent involved in the transaction to lease target housing that the agent had informed the lessor of the lessor's obligations, and that the agent was aware of his duty to ensure compliance, in violation of 40 C.F.R. § 745.113(b)(5), for the target housing listed in Paragraph 21(a)-(f); and
 - (b) Include as an attachment or within the contract to lease target housing the signatures of the lessors, agents, and lessees, certifying to the accuracy of their statements, to the best of their knowledge, along with the dates of signature, in violation of 40 C.F.R. § 745.113(b)(6), for the target housing listed in Paragraph 21(b)-(f).

 - (c) waives any rights it may possess at law or in equity to challenge the authority of the EPA to bring a civil action in a United States District Court to compel compliance with the CAFO, and to seek an additional penalty for such noncompliance, and agrees that federal law shall govern in any such civil action;
 - (d) waives any right it may have pursuant to 40 C.F.R. § 22.8 to be present during any discussions with, or to be served with and reply to, any memorandum or communication addressed to EPA officials where the purpose of such discussion, memorandum, or communication is to persuade such official to accept and issue this CAFO;

VII. TERMS OF PAYMENT

28. Respondent consents to pay a civil penalty, which was calculated in accordance with the Act, in

the amount of **TWO THOUSAND, FIVE HUNDRED DOLLARS (\$2,500.00)**, which is to be paid within thirty (30) days of the Effective Date of this CAFO.

29. Respondent shall pay the civil penalty and any interest, fees, and other charges due using any method, or combination of appropriate methods, as provided on the following EPA website: <https://www.epa.gov/financial/makepayment>. For additional instructions, see: <https://www.epa.gov/financial/additional-instructions-making-payments-epa>.
30. Respondent shall send proof of payment via email, within twenty-four (24) hours of payment of the civil penalty, to:

31. "Proof of payment" means, as applicable, confirmation of credit card or debit card payment, confirmation of wire or automated clearinghouse transfer, and any other information required to demonstrate that payment has been made according to EPA requirements, in the amount due, and identified with Respondent's name and Docket No. TSCA-04-2026-6102(b).
32. Interest, Charges, and Penalties on Late Payments. Pursuant to 15 U.S.C. § 2615, 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to timely pay any portion of the civil penalty under this CAFO, the entire unpaid balance of the civil penalty and all accrued interest shall become immediately due and owing, and the EPA is authorized to recover the following amounts.
 - (a) Interest. Interest will begin to accrue from the Effective Date of this CAFO. If the civil penalty is paid in full within thirty (30) days, interest accrued is waived. If the civil penalty is not paid in full within thirty (30) days, interest will continue to accrue until any unpaid portion of the civil penalty as well as any interest, penalties, and other charges are paid in full. To protect the interests of the United States, the rate of interest is set at the IRS standard underpayment rate, as any lower rate would fail to provide Respondent adequate incentive for timely payment.

- (b) Handling Charges. Respondent will be assessed monthly a charge to cover the EPA's costs of processing and handling overdue debts. If Respondent fails to pay the civil penalty in accordance with this CAFO, the EPA will assess a charge to cover the costs of handling any unpaid amounts for the first thirty (30) day period after the Effective Date. Additional handling charges will be assessed each subsequent thirty (30) days, or any portion thereof, until the unpaid portion of the civil penalty, as well as any accrued interest, penalties, and other charges are paid in full.
- (c) Late Payment Penalty. A late payment penalty of six percent (6%) per annum, will be assessed monthly on all debts, including any unpaid portion of the civil penalty, interest, and other charges, that remain delinquent more than ninety (90) days.

33. Late Penalty Actions. In addition to the amounts described in the prior Paragraph, if Respondent fails to timely pay any portion of the civil penalty, interest, or other charges and penalties per this CAFO, the EPA may take additional actions. Such actions may include, but are not limited to, the following.
- (a) Refer the debt to a credit reporting agency or a collection agency (see 40 C.F.R. §§ 13.13 and 13.14);
 - (b) Collect the debt by administrative offset (i.e., the withholding of money payable by the United States government to, or held by the United States government for, a person to satisfy the debt the person owes the United States government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (see 40 C.F.R. Part 13, Subparts C and H);
 - (c) Suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds (see 40 C.F.R. § 13.17); and/or
 - (d) Per 15 U.S.C. § 2615(a), the Attorney General will bring a civil action in the appropriate district court to recover the full remaining balance of the debt plus interest. In any such action, the validity, amount, and appropriateness of the civil penalty shall not be subject to review.
34. Allocation of Payments. Pursuant to 31 C.F.R. § 901.9(f) and 40 C.F.R. § 13.11(d), a partial payment of debt will be applied first to outstanding handling charges, second to late penalty charges, third to accrued interest, and last to the principal that is the outstanding civil penalty amount.
35. Tax Treatment of Penalties. Penalties, interest, and other charges paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

VIII. EFFECT OF THE CAFO

36. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically

alleged above.

37. Pursuant to 40 C.F.R. § 22.18(c), full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.
38. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
39. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.
40. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
41. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, authorized representatives, successors, and assigns.
42. Any change in the legal status of Respondent, or changes pertaining to the management of the residential dwellings identified in Paragraph 21, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
43. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information or personally identifiable information.
44. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the Party represented by that person to this CAFO.
45. By signing this Consent Agreement, both Parties agree that each Party's obligations under this CAFO constitute sufficient consideration for the other Party's obligations.
46. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
47. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or

authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.

48. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
49. Unless specifically stated otherwise in this CAFO, each Party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

IX. EFFECTIVE DATE

50. This CAFO shall become effective after execution of the Final Order by the Regional Judicial Officer, on the date of filing with the Regional Hearing Clerk.
