STK-CV-UBT-0016713</p>
--	------------------------------------

SETTLEMENT AGREEMENT

This Settlement Agreement¹ is entered into between Curtis Mclean, Brandi N. Canady, Rachael Reese, Eloyd S. Long, Monica Enriguez, David Underwood, and Orneze Coit (collectively “Plaintiffs”), on behalf of themselves and the Settlement Class, and Signature Performance, Inc. (“Signature”) (“Defendant,” all collectively referred to as the “Parties”), as of the date last signed below. The Parties hereby agree to the following terms in full settlement of the Action, subject to a Final Approval Order entered by the Court.

I. Procedural History

1. Defendant Signature is a provider of administrative services and solutions for healthcare clients across the country. Defendant’s clients include healthcare providers, such as Southeastern Regional Medical Center d/b/a UNC Health (“Southeastern”) and Adventist Health System/West and Adventist Health Tulare (collectively, “Adventist Health”), payers, and healthcare intellectual property organizations. During the normal operations of its business,

¹ All capitalized terms herein shall have the same meanings as those defined in Section II herein.

Signature collects and maintains the Private Information of its healthcare clients' patients and employees.

2. On or about January 17-18, 2024, Signature's computer network was infiltrated by an unauthorized individual who accessed the Private Information belonging to approximately 232,315 of Defendant's clients' patients and employees (the "Data Incident").

3. Beginning on or about February 9, 2024, Signature began notifying the impacted individuals, some of which were patients and employees of Adventist Health Tulare, that their Private Information may have been impacted by the Data Incident.

4. Following the provision of notice, on or about June 17, 2024, Plaintiff Curtis McClean filed a complaint in the District of Nebraska seeking to recover claims on behalf of a national class of people impacted in the Data Incident.

5. Thereafter, Signature was named in four related putative class actions that were materially and substantively identical, that had overlapping claims, sought to represent the same putative class members, and arose out of the same Data Incident. Those cases were consolidated into a single action, captioned *In Re Signature Performance Data Breach Litigation*, 8:24-cv-00230-BCB-RCC (D. Nebraska), which included Signature, as well as Adventist Health and Southeastern as Defendants, and the Court appointed Tyler J. Bean, M. Anderson Berry, Bryan L. Bleichner, Jeff Ostrow, and Jason Wucetich as Interim Co-Lead Counsel.

6. Shortly thereafter, the Parties began discussing settlement and scheduled a mediation with experienced class action mediator Bennett G. Picker, Esq. of Stradley Ronon Stephens & Young LLP. In advance of the mediation, Plaintiffs propounded informal discovery requests on Defendant to which Defendant responded by providing information related to, among other things, the nature and cause of the Data Incident, the number and geographic location of

victims impacted, and the specific type of information breached. The Parties also exchanged mediation statements in advance of the mediation.

7. The Parties mediated on April 30, 2025. Following several hours of negotiations, they reached an agreement on the material terms of a class wide settlement. During the mediation, Class Counsel made a jurisdictional determination to resolve the Action in this Court.

8. Plaintiffs will dismiss their action in the United States District Court for the District of Nebraska within seven days of execution of this Settlement Agreement. On November 8, 2025, Plaintiffs filed their Complaint in this Action in state court alleging negligence, negligence per se, breach of implied contract, breach of third-party beneficiary contract, unjust enrichment, and violation of California's Confidentiality of Medical Information Act ("CMIA"), Cal Civ. Code §56.10, *et seq.* and Consumer Privacy Act ("CCPA"), Cal. Civ. Code §1798.100, *et seq.* against Signature only.

9. The Parties now agree to settle the Action (including all allegations made in the Related Actions) entirely, without any admission of liability or wrongdoing, with respect to all Released Claims of the Releasing Parties. Defendant Signature has entered into this Agreement to resolve all controversies and disputes arising out of or relating to the allegations made in the Complaint, and to avoid the litigation costs and expenses, distractions, burden, expense, and disruption to their business operations associated with further litigation. Defendant does not in any way acknowledge, admit to, or concede any of the allegations made in the Complaint, and expressly disclaim and deny any fault or liability, or any charges of wrongdoing that have been or could have been asserted in the Complaint. Nothing contained in this Agreement shall be used or construed as an admission of liability, and this Agreement shall not be offered or received in evidence in any action or proceeding in any court or other forum as an admission or concession of

liability or wrongdoing of any nature or for any other purpose other than to enforce the terms of this Agreement. Plaintiffs have entered into this Agreement to recover on the claims asserted in the Complaint, and to avoid the risk, delay, and uncertainty of continued litigation. Plaintiffs do not in any way concede that the claims alleged in the Complaint lack merit or are subject to any defenses. The Parties intend this Agreement to bind Plaintiffs, Defendant Signature, and all Settlement Class Members.

NOW, THEREFORE, in light of the foregoing, for good and valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged, the Parties agree, subject to approval by the Court, as follows.

69. ***Pro Rata Adjustments on Cash Payments*** – All Cash Payments will be subject to a *pro rata* increase in the event the amount of Valid Claims is insufficient to exhaust the entire Settlement Fund. Similarly, in the event the amount of Valid Claims exhausts the amount of the Settlement Fund, the amount of the Cash Payments will be reduced *pro rata* accordingly. For purposes of calculating the *pro rata* increase or decrease, the Settlement Administrator must distribute the funds in the Settlement Fund in the following order: (1) Service Awards; (2) attorneys' fees and costs; (3) Settlement Administration Costs; (4) Medical Data Monitoring; and (5) Cash Payments. or will be implemented, as a result of the Data Incident, to ensure the protection of Settlement Class Members' Private Information from exposure in future data incidents. The attestation will provide sufficient information necessary for Plaintiffs to reasonably estimate the costs Defendant has incurred or will incur in connection with the measures. Defendant is responsible, separate and apart from their obligations to fund the Settlement Fund, for all costs related to the security enhancements.

87. Claim Forms may be submitted online through the Settlement Website or through U.S. Mail by sending them to the Settlement Administrator at the address designated on the Claim Form.

88. The Settlement Administrator shall collect, review, and address each Claim Form received to determine whether the Claim Form meets the requirements set forth in this Settlement

and is thus a Valid Claim. The Settlement Administrator shall examine the Claim Form before designating the Claim as a Valid Claim to determine that the information on the Claim Form is reasonably complete. The Settlement Administrator shall have the sole authority to determine whether a Claim by any Claimant is a Valid Claim.

89. The Settlement Administrator shall use all reasonable efforts and means to identify and reject duplicate claims. No Settlement Class Member may submit more than one Claim Form. The Settlement Administrator shall identify any Claim Forms that appear to seek relief on behalf of the same Settlement Class Member. If the Settlement Administrator identifies any Claim Form that appears to be a duplication, the Settlement Administrator shall contact the Settlement Class Member in an effort to determine which Claim Form is the appropriate one for consideration.

90. The Settlement Administrator shall exercise, in its discretion, all usual and customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and abuse in the Claim process. The Settlement Administrator may, in its discretion, deny in whole or in part any Claim Form to prevent actual or possible fraud or abuse. By agreement, the Parties can instruct the Settlement Administrator to take whatever steps it deems appropriate if the Settlement Administrator identifies actual or possible fraud or abuse relating to the submission of claims, including, but not limited to, denying in whole or in part any Claim to prevent actual or possible fraud or abuse. If any fraud is detected or reasonably suspected, the Settlement Administrator and Parties may require information from Claimants or deny Claims, subject to the supervision of the Parties and ultimate oversight by the Court.

91. Claim Forms that do not meet the terms and conditions of this Settlement shall be promptly rejected by the Settlement Administrator and the Settlement Administrator shall advise the Claimant or Settlement Class member of the reason(s) why the Claim Form was rejected.

However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or omitting required information, the Settlement Administrator may send a Notice of Deficiency explaining what information is missing or inaccurate and needed to validate the Claim and have it submitted for consideration. The Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. The additional information and/or documentation can include, for example, answers to questions regarding the validity of the Claimant's physical or e-signature. A Claimant shall have until the Claim Form Deadline, or 15 days from the date the Notice of Deficiency is sent to the Claimant via mail and postmarked or via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Claimant timely and adequately provides the requested information and/or documentation, the Claim shall be deemed a Valid Claim and processed by the Settlement Administrator. If the Claimant does not timely and completely provide the requested information and/or documentation, the Settlement Administrator shall reduce or deny the Claim unless Defendant and Class Counsel otherwise agree.

92. Where a good faith basis exists, the Settlement Administrator may reduce or reject a Claim for, among other reasons, the following:

- a. Failure to fully complete and/or sign the Claim Form;
- b. Illegible Claim Form;
- c. The Claim Form is fraudulent;
- d. The Claim Form is duplicative of another Claim Form;
- e. The Claimant is not a Settlement Class Member;
- f. The Claimant submitted a timely and valid request to opt out of the Settlement Class;
- g. The person submitting the Claim Form requests that payment be made to a

person or entity other than the Claimant for whom the Claim Form is submitted;

h. Failure to submit a Claim Form by the Claim Form Deadline; and/or

i. The Claim Form otherwise does not comply with the requirements of this

Settlement.

93. The Settlement Administrator's reduction or denial of a Claim is final, subject to the following dispute resolution procedures:

a. The Settlement Administrator shall have 30 days from the Claim Form Deadline to approve or reject Claims;

b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this Paragraph;

c. If a Claim is rejected, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel and Defendant's Counsel shall be provided with copies of all such notifications to Claimants; and

d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.

94. The Settlement Administrator shall provide all information gathered in investigating Claims, including, but not limited to, copies of all correspondence and email and all notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel. Additionally, Class Counsel shall have the right to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

95. No person or entity shall have any claim against Defendant, Defendant's Counsel, Released Parties, Plaintiffs, the Settlement Class, Class Counsel, and/or the Settlement

Administrator based on any eligibility determinations, distributions, or awards made in accordance with this Settlement.

96. The Settlement Administrator shall distribute the Settlement Class Member Benefits no later than 45 days after the Effective Date.

97. Cash Payments to Settlement Class Members will be made by electronic payment or by paper check, by sending Settlement Class Members with Valid Claims an email to select from alternative forms of electronic payment or by paper check. Settlement Class Members will have a period of 180 days to select their electronic payment. In the event of any complications arising in connection with the issuance of an electronic payment, the Settlement Administrator shall provide written notice to Class Counsel and Defendant's Counsel. Absent specific instructions from Class Counsel and Defendant's Counsel, the Settlement Administrator shall proceed to resolve the dispute using its best practices and procedures to ensure that the funds are fairly and properly distributed to the person or persons who are entitled to receive them. In the event the Settlement Administrator is unable to distribute funds to the person or persons entitled to receive them due to incorrect or incomplete information provided to the Settlement Administrator, the funds shall become residual funds, and the Settlement Class Member shall forfeit their entitlement right to the funds.

98. The Settlement Administrator will send an email to Settlement Class Members with Valid Claims that elected Medical Data Monitoring with information on how to enroll in the Medical Data Monitoring, including the activation code.

X. Final Approval Order and Final Judgment

99. Plaintiffs shall file their Motion for Attorneys' Fees, Costs, and Service Awards no later than 25 court days before the original date set for the Final Approval Hearing, and their

Motion for Final Approval of the Settlement no later than 16 court days before the original date set for the Final Approval Hearing. At the Final Approval Hearing, the Court will hear argument on Plaintiffs' Motion for Final Approval of the Settlement and the Motion for Attorneys' Fees, Costs, and Service Awards. In the Court's discretion, the Court will also hear argument at the Final Approval Hearing from any Settlement Class Members (or their counsel) who object to the Settlement and/or to the Motion for Attorneys' Fees, Costs, and Service Awards.

100. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant the Motion for Attorneys' Fees, Costs, and Service Awards. Such proposed Final Approval Order shall, among other things:

- a. Determine that the Settlement is fair, adequate and reasonable;
- b. Finally certify the Settlement Class for settlement purposes only;
- c. Determine that the Notice Program satisfies Due Process requirements;
- d. Bar and enjoin all Releasing Parties from asserting or otherwise pursuing any of the Released Claims at any time and in any jurisdiction against any Released Parties, including during any appeal from the Final Approval Order; and retain jurisdiction over the enforcement of the Court's injunctions;
- e. Release Defendant and the other Released Parties from the Released Claims; and
- f. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendant, Plaintiffs, all Settlement Class Members, and all objectors, to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

XI. Service Awards, Attorneys' Fees and Costs

101. **Service Awards** – The Class Representatives may seek Service Awards of up to \$5,000 each, subject to Court approval. The Service Awards approved by the Court shall be paid by the Settlement Administrator to Class Counsel on behalf of the Class Representatives out of the Escrow Account by wire transfer to an account designated by Class Counsel within 10 days of the Effective Date.

102. **Attorneys' Fees and Costs** - Class Counsel shall apply to the Court for an award of attorneys' fees of up to 35% of the \$8,500,000 value of the Settlement Fund (\$2,975,000), plus reimbursement of reasonable costs. The attorneys' fees and cost awards approved by the Court shall be paid by the Settlement Administrator out of the Escrow Account by wire transfer to an account designated by Class Counsel within 10 days of the Effective Date.

103. This Settlement is not contingent on approval of the request for attorneys' fees and costs or Service Awards, and if the Court denies the request or grants amounts less than what was requested, the remaining provisions of the Agreement shall remain in force. The provision for attorneys' fees and costs was negotiated after all material terms of the Settlement.

XII. Disposition of Residual Funds

104. In the event there are funds remaining in the Settlement Fund 20 days following the 180-day period to cash checks or for Settlement Class Members to select the form of electronic payment, following payment of Settlement Class Member Cash Payments, any residual funds shall be distributed to an appropriate mutually agreeable *cy pres* recipient approved by the Court. The Parties will propose a *cy pres* recipient at the time Plaintiffs file their Motion for Final Approval.

XIII. Releases

105. Upon the Effective Date, and in consideration of the settlement relief and other

consideration described herein, the Releasing Parties shall be deemed to have, and by operation of the Final Approval Order shall have, fully, finally, and forever released, acquitted, relinquished, and completely discharged the Released Parties from any and all Released Claims, including but not limited to any state law or common law claims arising out of or relating to the Data Incident that the Releasing Parties may have or had, such as under California's Consumer Privacy Act, California Civil Code section 1798.100, *et seq.* and/or California's Unfair Competition Law, California Civil Code section 17200 *et seq.* as related to and alleged in the operative Complaint. In addition, only the Class Representatives expressly waive all rights under California Civil Code section 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

The Releasing Parties agree that, once this Agreement is executed, they will not, directly or indirectly, individually or in concert with another, maintain, cause to be maintained, or voluntarily assist in maintaining any further demand, action, claim, lawsuit, arbitration, or similar proceeding, in any capacity whatsoever, against any of the Released Parties based on any of the Released Claims.

106. Settlement Class Members who opt-out of the Settlement prior to the expiration of the Opt-Out Period will not release their claims, and they will not receive a Cash Payment and/or Medica Data Monitoring.

107. Upon the Effective Date: (a) this Settlement shall be the exclusive remedy for any and all Released Claims of Plaintiffs and Settlement Class Members; and (b) Plaintiffs and Settlement Class Members stipulate to be and shall be permanently barred and enjoined by Court

order from initiating, asserting, or prosecuting any Released Claim against the Released Parties, whether on behalf of Plaintiffs, any Settlement Class Member or others, in any jurisdiction, including in any federal, state, or local court or tribunal.

XIV. Termination of Settlement

108. This Agreement shall be subject to and is expressly conditioned on the occurrence of all of the following events:

- a. Court approval of the Settlement consideration set forth in Section V and the Releases set forth in Section XIII of this Agreement;
- b. The Court has entered the Preliminary Approval Order;
- c. The Court has entered the Final Approval Order, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- d. The Effective Date has occurred.

109. If any of the conditions specified in the preceding paragraph are not met, or if the Court otherwise imposes any modification to or condition to approval of the Settlement to which the Parties do not consent, then this Agreement shall be cancelled and terminated.

110. In the event this Agreement is terminated or fails to become effective, then the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement, and the Parties shall jointly file a status report in the Court seeking to reopen the Action and all papers filed. In such event, the terms and provisions of this Agreement shall have no further force and effect with respect to the Parties and shall not be used in this Action or in any other action or proceeding for any other purpose, and any order entered by this Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*.

111. In the event this Agreement is terminated or fails to become effective, all funds in the Settlement Fund shall be promptly returned to Defendant Signature. However, Defendant Signature shall have no right to seek from Plaintiffs, Class Counsel, or the Settlement Administrator for the Settlement Administration Costs paid. After payment of any Settlement Administration Costs that have been incurred and are due to be paid from the Settlement Fund, the Settlement Administrator shall return the balance of the Settlement Fund to Signature within 20 days of termination.

XV. Effect of Termination

112. The grounds upon which this Agreement may be terminated are set forth in Section XIV. In the event of a termination, this Agreement shall be considered null and void; all of Plaintiffs', Class Counsel's, Defendant, Defendant's Counsel's obligations under the Settlement shall cease to be of any force and effect; and the Parties to the Action shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement. In addition, in the event of such a termination, all of the Parties to the Action's respective pre-settlement rights, claims, and defenses will be retained and preserved.

113. In the event the Settlement is terminated in accordance with the provisions of this Agreement, any discussions, offers, or negotiations associated with this Settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

XVI. No Admission of Liability

114. This Agreement reflects the Parties' compromise and settlement of disputed claims. This Agreement shall not be construed as or deemed to be evidence of an admission or concession

of any point of fact or law. Defendant and other Released Parties have denied and continue to deny each of the claims and contentions alleged in the Complaint. Defendant and other Released Parties specifically deny that a class could or should be certified in the Action for litigation purposes. Defendant and other Released Parties do not admit any liability or wrongdoing of any kind, by this Agreement or otherwise. Defendant has agreed to enter into this Agreement to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to be completely free of any further claims that were asserted or could possibly have been asserted in the Action.

115. Class Counsel believe the claims asserted in the Action have merit, and they have examined and considered the benefits to be obtained under the proposed Settlement set forth in this Agreement, the risks associated with the continued prosecution of this complex, costly, and time-consuming litigation, and the likelihood of success on the merits of the Action. Class Counsel have investigated the facts and law relevant to the merits of the claims, conducted informal discovery, and conducted independent investigation of the alleged claims. Class Counsel concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class.

116. This Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties in connection with the negotiations of this Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made, or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever.

117. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement (a) is or may be deemed to be, or may be used as, an admission

of, or evidence of, the validity of any claim made by the Plaintiffs or Settlement Class Members, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.

118. In addition to any other defenses Defendant or other Released Parties may have at law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against, any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of this Agreement or the Releases contained herein.

XVII. Miscellaneous Provisions

119. ***Confidentiality.*** To the extent permitted by ethics rules, the Parties and their counsel shall keep confidential all settlement communications, including communications regarding the negotiation and drafting of this Agreement. This paragraph shall not be construed to limit or impede the Notice requirements contained in this Agreement, nor shall this paragraph be construed to prevent Class Counsel or Defendant's Counsel from notifying or explaining that the Action has settled or limit the representations that the Parties or their counsel may make to the Court to assist in the Court's evaluation of the Settlement, Preliminary Approval, Final Approval, and any objection to the Settlement's terms. Defendant may also provide information about the Settlement to their attorneys, members, partners, insurers, brokers, agents, other Released Parties and other persons or entities as required by agreement, securities laws or other applicable laws and regulations.

120. ***Intended Third Party Beneficiaries.*** The Parties acknowledge and agree that the Released Parties (other than Defendant Signature) are intended third-party beneficiaries of this

Agreement. Accordingly, the Released Parties (other than Defendant Signature) shall be entitled to enforce the Agreement directly against the Releasing Parties as if they were a signatory to this Agreement.

121. ***Gender and Plurals.*** As used in this Agreement, the masculine, feminine or neuter gender, and the singular or plural number, shall each be deemed to include the others whenever the context so indicates.

122. ***Binding Effect.*** This Agreement shall be binding upon, and inure to and for the benefit of, the successors and assigns of the Releasing Parties and the Released Parties.

123. ***Cooperation of Parties.*** The Parties to this Agreement agree to cooperate in good faith to prepare and execute all documents, seek Court approval, uphold Court approval, and do all things reasonably necessary to complete and effectuate the Settlement described in this Agreement.

124. ***Obligation to Meet and Confer.*** Before filing any motion in the Court raising a dispute arising out of or related to this Agreement, the Parties shall consult with each other and certify to the Court that they have met and conferred in an attempt to resolve the dispute.

125. ***Integration and No Reliance.*** This Agreement constitutes a single, integrated written contract expressing the entire agreement of the Parties relative to the subject matter hereof. This Agreement is executed without reliance on any covenant, agreement, representation, or warranty by any Party or any Party's representative other than those expressly set forth in this Agreement. No covenants, agreements, representations, or warranties of any kind whatsoever have been made by any Party hereto, except as provided for herein.

126. ***No Conflict Intended.*** Any inconsistency between the headings used in this Agreement and the text of the paragraphs of this Agreement shall be resolved in favor of the text.

127. **Governing Law.** Except as otherwise provided herein, the Agreement shall be construed in accordance with, and be governed by, the laws of the state of California, without regard to the principles thereof regarding choice of law.

128. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, even though all Parties do not sign the same counterparts. Original signatures are not required. Any signature submitted through email of a PDF shall be deemed an original.

129. **Jurisdiction.** The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Agreement that cannot be resolved by negotiation and agreement by counsel for the Parties. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice Program and the Settlement Administrator. As part of the agreement to render services in connection with this Settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this purpose. The Court shall retain jurisdiction over the enforcement of the Court's injunction barring and enjoining all Releasing Parties from asserting any of the Released Claims and from pursuing any Released Claims against the Released Parties at any time and in any jurisdiction, including during any appeal from the Final Approval Order.

132. **No Waiver.** The waiver by any Party of any breach of this Agreement by another Party shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, of this Agreement.

133. **Authority.** Class Counsel (for the Plaintiffs and the Settlement Class Members), and Defendant's Counsel, represent and warrant that the persons signing this Agreement on their behalf have full power and authority to bind every person, partnership, corporation, or entity included within the definitions of Plaintiffs and Defendant respectively to all terms of this Agreement. 135. **Independent Investigation and Decision to Settle.** The Parties understand and acknowledge they: (a) have performed an independent investigation of the allegations of fact and law made in connection with this Action; and (b) that even if they may hereafter discover facts in addition to, or different from, those that they now know or believe to be true with respect to the subject matter of the Action as reflected in this Agreement, that will not affect or in any respect limit the binding nature of this Agreement. All Parties recognize and acknowledge they reviewed and analyzed data that they and their experts used to make certain determinations, arguments, and settlement positions. The Parties agree this Settlement is fair, reasonable, and adequate, and will not attempt to renegotiate or otherwise void or invalidate or terminate the Settlement irrespective

of what any unexamined data later shows. It is the Parties' intention to resolve their disputes in connection with this Action pursuant to the terms of this Agreement now and thus, in furtherance of their intentions, the Agreement shall remain in full force and effect notwithstanding the discovery of any additional facts or law, or changes in law, and this Agreement shall not be subject to rescission or modification by reason of any changes or differences in facts or law, subsequently occurring or otherwise.

136. ***Receipt of Advice of Counsel.*** Each Party acknowledges, agrees, and specifically warrants that he, she, or it has fully read this Agreement and the Releases contained herein, received independent legal advice with respect to the advisability of entering into this Agreement and the Releases, and the legal effects of this Agreement and the Releases, and fully understands the effect of this Agreement and the Releases.

BASIC INFORMATION

1. Why is there a notice?

The Court authorized this notice because you have a right to know about the Settlement, and all of your options, before the Court decides whether to give “Final Approval” to the Settlement. This notice explains the nature of the lawsuit that is the subject of the Settlement, the general terms of the Settlement, and your legal rights and options.

Judge Robert T. Waters in the Superior Court of California, County of San Joaquin, is overseeing this case captioned as *Curtis McClean, et al., v. Signature Performance, Inc.*, No. STK-CV-UBT-0016713 (San Joaquin Superior Court). The people who brought the lawsuit are called the Plaintiffs. The Plaintiffs are Curtis McClean, Brandi N. Canady, Rachael Reese, Eloyd S. Long, Monica Enriguez, David Underwood, and Ormeze Coit (“Plaintiffs”). The Defendant, the entity being sued, is Signature Performance, Inc. (“Defendant” or “Signature”), (and collectively with Plaintiffs, the “Parties”).

2. What is this lawsuit about?

The lawsuit claims that Defendant is responsible for the Data Incident and asserts that Plaintiffs and all others whose information was impacted in the Data Incident are entitled to damages.

Defendant denies these claims and that it did anything wrong. No court or other judicial entity has made any judgment, finding, or other determination that Defendant has any liability for these claims or did anything wrong.

3. Why is this lawsuit a class action?

In a class action, one or more people called class representatives or representative plaintiffs sue on behalf of all people who have similar claims. Together, all of these people are called a class, and the individuals are called class members. Because this Action has settled, the class is called the “Settlement Class.” One court resolves the issues for all class members, except for those who exclude themselves from the class.

4. Why is there a Settlement?

The Court has not decided in favor of the Plaintiffs or Defendant. Instead, both sides agreed to the Settlement. The Settlement avoids the cost and risk of a trial and related appeals, while providing benefits to members of the Settlement Class (“Settlement Class Members”). The Class Representatives appointed to represent the Settlement Class and the attorneys for the Settlement Class (“Class Counsel,” see Question 18) think the Settlement is best for all Settlement Class Members.

5. How do I know if I am part of the Settlement?

You are affected by the Settlement and potentially a member of the Settlement Class if you reside in the United States and your Personal Information was accessed or potentially accessed in connection with the Data Incident, including if you were mailed a notification by or on behalf of the Defendant regarding the Data Incident.

You are potentially a member of the California Subclass if you are a Settlement Class Member who was residing in California on the day of the Data Incident.

Only Settlement Class Members are eligible to receive benefits under the Settlement. Specifically excluded from the Settlement Class are: (a) directors and officers of Released Parties; (b) the Judge assigned to the Action, that Judge's immediate family, and Court staff; and (c) natural persons who properly execute and submit a Request for Exclusion prior to the expiration of the Opt-Out Period.

6. What if I am not sure whether I am included in the Settlement?

If you are not sure whether you are included in the Settlement, you may call 1-###-###-#### with questions. You may also write with questions to:

THE SETTLEMENT BENEFITS – WHAT YOU GET IF YOU QUALIFY

7. What does the Settlement provide?

The Settlement provides that Signature will fund the following in the amount of \$8,500,000.00: (a) documented losses up to \$5,000 per person; (b) cash payment estimated at approximately \$200, without documentation; (c) a statutory cash payment estimated at approximately \$200 if you are a California Settlement Subclass Member; and (d) Medical Data Monitoring. Claims for both cash payment options will be *pro rata* adjusted up or down based on the remaining balance of the Settlement Fund after payments for settlement administration costs, data monitoring services, and attorneys' fees and expenses.

The Cash Payments will be dispersed after the distribution of attorneys' fees, Class Counsel's litigation costs, Service Awards, Settlement Administration Costs, and Medical Data Monitoring Costs. The amount of the Cash Payments may increase or decrease depending upon how much money is in the Net Settlement Fund. Any *pro rata* increases or decreases to Cash Payments will be on an equal percentage basis. Also, as part of the Settlement, Defendant either has undertaken or will undertake certain reasonable steps to further secure its systems and environments.

8. What payments are available for reimbursement under the Settlement?

Settlement Class Members who submit a Claim are eligible to receive one or more of the following:

Cash Payment A - Documented Loss Payment:

- Reimbursement of actual, documented, unreimbursed ordinary losses resulting from the Data Incident (up to \$5,000.00 in total), such as the following incurred on or after January 17, 2024:
 - any costs incurred from credit monitoring services or ordering copies of your credit report;
 - late fees, declined payment fees, overdraft fees, returned check fees, customer service fees, and/or card cancellation or replacement fees;
 - late fees from transactions with third parties that were delayed due to fraud or card replacement;
 - unauthorized charges on credit, debit, or other payment cards that were not reimbursed;
 - parking expenses or other transportation expenses for trips to a financial institution to address fraudulent charges or receive a replacement payment card;
 - costs incurred obtaining credit freezes;
 - long distance phone charges, cell phone charges (only if charged by the minute), data charges (only if charged based on the amount of data used);
 - postage or gasoline for local travel; and,
 - other expenses that are reasonably attributable to the Data Incident that were not reimbursed.

Cash Payment B – Undocumented Cash Payment

- A *pro rata* cash payment estimated to be \$200.00 but may be adjusted upward or downward *pro rata* based on how many other claims are made.

California Statutory Payment

- A California statutory payment for California Settlement Subclass Members estimated to be \$200.00 but may be adjusted upward or downward *pro rata* based on how many other claims are made.

Medical Data Monitoring

- Settlement Class Members may elect to receive three years of Medical Data Monitoring. This service monitors medical and healthcare data to determine whether consumers’ private health information is at risk or has been exposed to medical fraud and comes with single-bureau credit monitoring. The Medical Data Monitoring will provide the following benefits: medical identity monitoring, credit monitoring, real-time alerts, and insurance coverage for up to \$1,000,000 for identity theft.

HOW DO YOU SUBMIT A CLAIM?

9. How do I get a benefit?

To receive a benefit under the Settlement, you must complete and submit a claim for that benefit (a “Claim”). Every Claim must be made on a form (“Claim Form”) available at www.-----.com or by calling 1-###-###-####. Claim Forms will also be sent to Settlement Class Members as part of the postcard notice and tear-off claim form that will be mailed to Settlement Class Members. Read the instructions carefully, fill out the Claim Form, provide the required documentation, and submit it according to the instructions on the Claim Form.

10. How will claims be decided?

The Settlement Administrator, Verita, Inc., will decide whether and to what extent any Claim made on each Claim Form is valid. The Settlement Administrator may require additional information. If you do not provide the additional information in a timely manner, then the Claim will be considered invalid and will not be paid.

11. When will I get my payment?

The Court will hold a Final Approval Hearing on _____, 2026, at _____ .m. EST to decide whether to approve the Settlement. If the Court approves the Settlement, there may be appeals from that decision and resolving those can take time, perhaps more than a year. It also takes time for all the Claim Forms to be processed. Please be patient.

WHAT DO THE DEFENDANTS GET?

12. What am I giving up as part of the Settlement?

The Defendant gets a release from all claims covered by this Settlement. Thus, if the Settlement becomes final and you do not exclude yourself from the Settlement, you will be a Settlement Class Member and you will give up your right to sue Defendant and other persons, including Adventist Health Tulare and Adventist Health System/West (collectively “Adventist”), and Southeastern Regional Medical Center d/b/a UNC Health Southeastern (“UNC Health”) and each entity which is controlled by, controlling or under common control with Defendant Signature and Adventist Health Tulare and Adventist Health System/West (collectively, “Adventist”), and Southeastern Regional Medical Center d/b/a UNC Health Southeastern (“UNC Health”), (the “Released Parties”) as to all claims (“Released Claims”) arising out of or relating to the Security Incident. This release is described in the Settlement Agreement, which is available at www.-----.com. If you have any questions you can talk to the law firms listed in Question 18 for free or you can talk to your own lawyer.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want to be part of this Settlement, then you must take steps to exclude yourself from the Settlement Class. This is sometimes referred to as “opting out” of the Settlement Class.

13. If I exclude myself, can I get a payment from this Settlement?

No. If you exclude yourself, you will not be entitled to receive any benefits from the Settlement, but you will not be bound by any judgment in this case.

14. If I do not exclude myself, can I sue the Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Defendant and any other Released Parties for the claims that this Settlement resolves. You must exclude yourself from the Settlement Class to start your own lawsuit or to be part of any different lawsuit relating to the claims in this case. If you want to exclude yourself, do not submit a Claim Form to ask for any benefit under the Settlement.

15. How do I exclude myself from the Settlement?

15. How do I exclude myself from the Settlement?

To exclude yourself, send a letter that says you want to be excluded or opt-out from the Settlement in *McClellan, et al., v. Signature Performance, Inc.*, Case No. STK-CV-UBT-0016713, (San Joaquin County Superior Court). The letter must: (a) state your full name, address, telephone number, and email address (if any); (b) contain your personal and original signature or the original signature of a person authorized by law to act on your behalf; and (c) state unequivocally your intent to be excluded from the Settlement. You must mail your exclusion request postmarked by _____, 2025, to:

Settlement Administrator
Attn: Exclusion Request
address
address

OBJECTING TO THE SETTLEMENT

16. How do I tell the Court that I do not like the Settlement?

You can tell the Court that you do not agree with the Settlement or some part of it by objecting to the Settlement. The Court will consider your views in its decision on whether to approve the Settlement. The Court can only approve or deny the Settlement and cannot change its terms. To object, timely written notice of an objection in the appropriate form must be filed with or submitted to the Settlement Administrator on or before the Objection Deadline: [Month, Date], 2026. The address for the Settlement Administrator is:

Settlement Administrator
Attn: Objection
address
address

If your objection is written it must include all of the following: (i) the objector's full name, mailing address, telephone number, and email address (if any); (ii) a written statement of all grounds for the objection, accompanied by any legal support for the objection the objector believes applicable; (iii) the identity of all counsel (if any) who represent the objector, including any former or current counsel who may claim an entitlement to compensation for any reason related to the objection to the Settlement and/or Motion for Attorneys' Fees, Costs, and Service Awards; (iv) the identity of all counsel (if any) representing the objector, and whether they will appear at the Final Approval Hearing; (v) a list of all Persons who will be called to testify at the Final Approval Hearing in support of the objection; (vi) a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and (vii) the objector's signature and the signature of the objector's duly authorized attorney or other duly authorized representative, along with documentation setting forth such representation. The Court will hear from any Settlement Class Member who wishes to appear at the Final Approval Hearing and make an objection orally.

17. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court that you do not like the Settlement and why you do not think it should be approved. You can object only if you are a Settlement Class Member. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class and do not want to receive any payment or benefit from the Settlement. If you exclude yourself, then you have no basis to object because you are no longer a member of the Settlement Class and the case no longer affects you. If

THE LAWYERS REPRESENTING YOU

18. Do I have a lawyer in this case?

Yes. The Court appointed Tyler J. Bean of Siri & Glimstad LLP, M. Anderson Berry Emery Reddy, PC, Bryan L. Bleichner of Chestnut Cambronne PA, Jeff Ostrow of Kopelowitz Ostrow P.A., and Jason Wucetich of Wucetich & Korovilas LLP as Class Counsel.

If you want to be represented by your own lawyer, then you may hire one at your own expense.

19. How will the lawyers be paid?

Class Counsel will ask the Court for an award for attorneys' fees up to 35% of the Qualified Settlement Fund (\$2,975,000.00), plus reasonable litigation costs. Defendant has not agreed to any award of attorneys' fees, costs, and expenses up to those amounts, to the extent they are approved by the Court. This payment for any attorneys' fees and expenses to Class Counsel and service awards will be made out of the Settlement Fund. Any such award would compensate Class Counsel for investigating the facts, litigating the case, and negotiating the Settlement and will be the only payment to them for their efforts in achieving this Settlement and for their risk in undertaking this representation on a wholly contingent basis.

Any award for attorneys' fees and expenses for Class Counsel and any Service Awards must be approved by the Court. The Court may award less than the amount requested. Class Counsel's Motion for Final Approval of the Settlement will be filed no later than [REDACTED], 2026, and will be posted on the settlement website.

THE COURT'S FINAL APPROVAL HEARING

20. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing at [REDACTED] m. PT on [REDACTED], 2026, at the **San Joaquin County Superior Courthouse** or by remote or virtual means as ordered by the Court. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are timely and valid objections, then the Court will consider them and will listen to people who have asked to speak at the hearing if such a request has been properly made. The Court will also rule on the request for an award of attorneys' fees, reasonable costs and costs, and any Service Awards. After the hearing the Court will decide whether to approve the Settlement. We do not know how long these decisions will take. The hearing may be moved to a different date or time without additional notice, so Class Counsel recommends checking **www.[REDACTED].com** or calling **1-###-###-####**.

21. Do I have to attend the hearing?

No. Class Counsel will present the Settlement Agreement to the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. If you send an objection, you do not have to visit the Court to talk about it. As long as you filed your written objection on time with the Court and mailed it according to the instructions provided in Question 16, the Court will consider it.

22. May I speak at the hearing?

You may ask the Court for permission to speak at the Final Approval Hearing. See No. 16 for further details on the requirements for submitting an objection to the Settlement.

IF YOU DO NOTHING

23. What happens if I do nothing?

If you do nothing you will not get any money from this Settlement. If the Settlement is granted final approval and the judgment becomes final, then you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendant and the other Released Parties based on any of the Released Claims related to the Data Incident, ever again.

24. How do I get more information?

19 following class for settlement purposes only under California Civil Procedure Code Section 382:

20 **All living individuals who were notified by Defendant that their**
21 **Private Information may have been impacted in the Data**
22 **Incident.**

23 The Settlement Class is estimated to contain approximately 232,315 members. The Court further
24 conditionally certifies the following California Settlement Subclass:

25 **All Settlement Class Members who were residing in California**
26 **on the day of the Data Incident.**

1 The California Settlement Subclass is estimated to contain 59,377 Class Members, all of whom
2 are also members of the Settlement Class. Excluded from the Settlement Class are: (a) directors
3 and officers of Released Parties; (b) the Judge assigned to the Action, that Judge’s immediate
4 family, and Court staff; (c) natural persons who properly execute and submit a Request for
5 Exclusion prior to the expiration of the Opt-Out Period.
6

7 2. For settlement purposes only, with respect to the Settlement Class, the Court
8 preliminary finds the prerequisites for a class action pursuant to California Code of Civil
9 Procedure Section 382 have been met, in that: (a) the Settlement Class is so numerous that
10 joinder of all individual Settlement Class Members in a single proceeding is impracticable; (b)
11 questions of law and fact common to all Settlement Class Members predominate over any
12 potential individual questions; (c) the claims of the Plaintiffs are typical of the claims of the
13 Settlement Class; (d) Plaintiffs and proposed Settlement Class Counsel will fairly and adequately
14 represent the interests of each Settlement Class Member; and (e) a class action is the superior
15 method to fairly and efficiently adjudicate this controversy. *See* Cal. Civ. Proc. Code § 382 (West
16 2022).
17

18 3. The Court hereby appoints the Plaintiffs as Class Representatives on behalf of
19 the Settlement Class.
20

21 4. The Court hereby appoints Tyler J. Bean of Siri & Glimstad LLP, M. Anderson
22 Berry of Emery Reddy, PC, Bryan L. Bleichner of Chestnut Cambronne PA, Jeff Ostrow of
23 Kopelowitz Ostrow P.A., and Jason Wucetich of Wucetich & Korovilas, LLP as Class Counsel.

24 **II. PRELIMINARY APPROVAL**

25 5. The terms of the Settlement, including the proposed Releases, are preliminarily
26 approved as within the range of fair, reasonable, and adequate terms of settlement, and are
27
28

1 sufficient to warrant providing notice of the Settlement to the Settlement Class in accordance with
2 the Notice Program, and are subject to further and final consideration at the Final Approval
3 Hearing provided for below.

4 6. In making this determination, the Court considered the fact that the Settlement is
5 the product of arm's-length, good faith negotiations facilitated by a neutral mediator and conducted
6 by experienced and knowledgeable counsel, the current posture of the Action, the benefits of the
7 Settlement to the Settlement Class, and the risk and benefits to the Parties of continuing litigation.
8

9 7. As provided for in the Settlement, if the Court does not grant Final Approval of the
10 Settlement or if the Settlement is terminated or cancelled in accordance with its terms, then the
11 Settlement, and the conditional certification of the Settlement Class for settlement purposes only
12 provided for herein, will be vacated and the Action shall proceed as though the Settlement Class
13 had never been conditionally certified for settlement purposes only, with no admission of liability
14 or merit as to any issue, and no prejudice or impact as to any of the Parties' positions on the issue
15 of class certification or any other issue in the case.
16

17 **III. NOTICE OF THE SETTLEMENT TO THE SETTLEMENT CLASS**

18 8. The Court appoints Verita, Inc. as the Settlement Administrator. The
19 responsibilities of the Settlement Administrator are set forth in the Agreement.
20

21 9. The Court has considered the notice provisions of the Settlement, the Notice
22 Program set forth in the Settlement, and the Postcard Notice and Long Notice, attached to the
23 Agreement. The Court finds that the direct mailing of notice in the manner set forth in the Notice
24 Program is the best notice practicable under the circumstances, constitutes due and sufficient
25 notice of the Settlement and this Preliminary Approval Order to all persons entitled thereto, and
26 is in full compliance with applicable law and due process. The Court approves as to form and
27 content of the Notices and Claim Form.
28

1 10. The Parties are ordered to give notice to all Settlement Class Members in
2 accordance with California Rule of Court, Rule 3.771(b). The Court orders the Settlement
3 Administrator to commence the Notice Program following entry of this Preliminary Approval
4 Order in accordance with the terms of the Settlement.

5 **IV. REQUESTS FOR EXCLUSION FROM THE SETTLEMENT CLASS**

6 11. Each person wishing to exclude themselves from the Settlement Class must
7 individually sign and timely mail a written request to opt-out of the Settlement to the address
8 designated by the Settlement Administrator.

9 12. The request for exclusion must be a properly executed written request that is
10 timely delivered by a Settlement Class before the end of the Opt-Out Period.

11 13. Requests for exclusion must fully comply with the requirements set forth in the
12 Settlement Agreement and Long Form Notice.

13 14. All persons who opt-out of the Settlement Class shall not receive any Settlement
14 Class Member Benefits nor will they be bound by the terms of the Settlement.

15 **V. OBJECTIONS**

16 15. Each Settlement Class Member, who wishes to object to the Settlement, who does
17 not timely request to be excluded from the Settlement Class must submit a timely and valid
18 objection in full compliance with the Settlement Agreement and the Long Form Notice, or must
19 appear at the Final Approval Hearing and make their objection orally.

20 16. All notices of an intent to object to the Settlement must be written and should
21 include all of the following: the objector's full name, mailing address, telephone number, and
22 email address (if any); a clear and detailed written statement that identifies the basis of the
23 specific objection that the Settlement Class Member asserts; the identity of any counsel (if any)
24 who represent the objector, including any former or current counsel who may claim an
25
26
27
28

1 entitlement to compensation for any reason related to the objection to the Settlement and/or
2 Motion for Attorneys' Fees, Costs, and Service Awards; a statement whether the objector intends
3 to appear at the Final Approval Hearing, either in person or through counsel, and, if through
4 counsel, identifying that counsel; a list of all persons who will be called to testify at the Final
5 Approval Hearing in support of the objection; a statement confirming whether the objector
6 intends to personally appear and/or testify at the Final Approval Hearing; and the objector's
7 signature.
8

9 17. Notwithstanding the foregoing, any Settlement Class Member who attends the
10 Final Approval Hearing may so state their objection at that time, subject to the Court's approval.

11 18. To be timely, written notice of an objection in the appropriate form must be
12 postmarked no later than the end of the Objection Period.
13

14 19. Except upon a showing of good cause, any Settlement Class Member who fails
15 to substantially comply with the requirements for objecting shall waive and forfeit any and all
16 rights he or she may have to appear separately and/or to object to the Settlement and shall be
17 bound by all the terms of the Class Settlement Agreement and by all proceedings, orders, and
18 judgments in the Litigation.

19 **VI. THE FINAL APPROVAL HEARING**

20 20. The Court will hold a Final Approval Hearing on _____
21 at ____ [a.m./p.m.], in at the Superior Court of California, County of San Joaquin,
22 _____, to consider: (a) whether certification of the Settlement Class
23 for settlement purposes only should be confirmed; (b) whether the Settlement should be
24 approved as fair, reasonable, adequate and in the best interests of the Settlement Class; (c)
25 whether to approve the Application for Attorneys' fees, Costs, and Service Awards; and (d)
26
27
28

1 whether the Court should enter the Final Approval Order. The Final Approval Hearing may,
2 from time to time and without further notice to Settlement Class Members be continued or
3 adjourned by order of the Court. The hearing may be by Zoom.

4 21. No later than 25 days prior to the Final Approval Hearing, Plaintiffs and
5 Settlement Class Counsel shall file their Motion for Attorneys' Fees, Costs, and Service Award.
6

10 Hearing, Plaintiffs shall file any Reply Brief in Support of Motion for Final Approval of Class

12 including as needed to respond to any valid and timely objections. If there is no objection to the
13 Settlement and no additional information necessary to submit to the Court, no Reply Brief is

2 before the Court on _____, 2026. The Action¹ is a class action lawsuit brought by
3 Plaintiffs, individually, and on behalf of all others similarly situated against and Defendant.

4 Plaintiffs alleges that, on or about January 17-18, 2024, Defendant experienced a targeted
5 cyberattack and data breach that allowed an authorized third-party threat actor access its
6 computer systems and data, which resulted in the potential compromise of personal identifiable
7 information belonging to approximately 232,315, individuals, including their names, addresses,
8 phone numbers, dates of birth, Social Security numbers, provider names, medical
9 treatment/diagnosis information, Driver's License/State ID numbers, health insurance provider
10 names, and/or treatment costs. *See Complaint.*

11
12 WHEREAS, Plaintiffs filed the instant action on November 10, 2025, in the San Joaquin
13 Superior Court alleging the following causes of action: (1) negligence; (2) negligence per se; (3)
14 breach of implied contract; (4) violation of the California Confidentiality of Medical Information
15 Act; (5) violation of California's Unfair Competition Law; (6) unjust enrichment; (7) declaratory
16 judgment; (8) violation of the California Consumer Records Act; (9) invasion of privacy; and
17 (10) violation of the California Consumer Privacy Act.

18
19 This Litigation was settled after mediation presided over by a well-regarded third-party
20 neutral Bennett G. Picker of Stradley Ronon, LLP, and as a result of arm's-length negotiations
21 between counsel well experienced in class action litigation, investigation, and informal
22 discovery sufficient to permit counsel to act knowingly;

23
24
25
26
27 ¹ All capitalized terms herein shall have the same meanings as those defined in the Settlement
28 Agreement, attached to the Motion for Final Approval as Exhibit A.

1 Defendant denies any and all alleged wrongdoing and denies any liability to Plaintiffs,
2 to members of the putative class, or to members of the Settlement Class; and

3 On _____, 2025, the Court entered a Preliminary Approval Order resulting in
4 certification of the following provisional Settlement Class:

5 **All living individuals who were sent a notice by Defendant that**
6 **their Private Information may have been impacted in the Data**
7 **Incident.**

8 The Settlement Class is estimated to contain approximately 232,315 Class Members. The Court
9 further conditionally certifies the following the California Settlement Subclass:

10 **All Settlement Class Members who were residing in California**
11 **on the day of the Data Incident.**

12 The California Subclass is estimated to contain 59,377 Class Members, all of whom are also
13 members of the Settlement Class. Excluded from the Settlement Class are: (a) directors and
14 officers of Released Parties; (b) the Judge assigned to the Action, that Judge's immediate family,
15 and Court staff; and (c) natural persons who properly execute and submit a Request for Exclusion
16 prior to the expiration of the Opt-Out Period.

17
18 That Preliminary Approval Order further directed the Parties to provide Notice to the
19 Class, which informed absent Settlement Class Members of: (a) the proposed Settlement, and the
20 Settlement's key terms; (b) the date, time, and location of the Final Approval Hearing; (c) the
21 right of any Settlement Class Member to object to the proposed Settlement, and an explanation
22 of the procedures to exercise that right; and (d) the right of any Settlement Class Member to
23 exclude themselves from the proposed Settlement, and an explanation of the procedures to
24 exercise that right. The Court, upon Notice having been given as required in the Preliminary
25 Approval Order, and having considered the proposed Settlement Agreement, attached to the
26

1 Memorandum in Support of the Motion for Preliminary Approval as *Exhibit A*, as well as all
2 papers filed, hereby **ORDERS, ADJUDGES, AND DECREES AS FOLLOWS:**

3 1. This Court has jurisdiction over the subject matter of the Action and over the
4 Parties to the Action, including all members of the Settlement Class.

5 2. The Court finds that the Settlement Class and California Settlement Subclass are
6 properly certified as a class for settlement purposes under California Civil Procedure Code
7 Section 382.

8 3. The Notice Program provided to the Settlement Class conforms with the
9 requirements of the California and United States Constitutions, California Code of Civil
10 Procedure Section 382, California Rules of Court 3.766, 3.769, and 3.771, and any other

12 individual notice to all Settlement Class Members who could be identified through reasonable
13 effort, and by providing due and adequate notice of the proceedings and of the matters set forth
14 therein to the other Settlement Class Members. The Notice Program fully satisfied the
15 requirements of due process.

16 4. The Court finds the Settlement was entered into in good faith, that the Settlement
17 is fair, reasonable, and adequate, and that the Settlement satisfies the standards and applicable
18 requirements for final approval of this class action settlement under California law, including
19 the provisions of California Code of Civil Procedure Section 382 and California Rule of Court
20 3.769.

21 5. No Settlement Class Members have objected to the terms of the Settlement.

26 Members shall be effectuated pursuant to the terms of the Agreement.
27
28

1 8. In addition to any recovery that Plaintiffs may receive under the Settlement, and

3 payment of a Service Award to the Class Representatives in the amount of \$5,000 each.

11 unconditionally released, discharged, and acquitted Defendant and the Released Parties from
12 any and all of the Released Claims, and will be deemed to have also released Unknown Claims.
13 Further, upon the Effective Date, and to the fullest extent permitted by law, the Releasing Parties,
14 shall, either directly, indirectly, representatively, as a member of or on behalf of the general
15 public, or in any capacity, be permanently barred and enjoined from commencing, prosecuting,
16 or participating in any recovery in any action in this or any other forum (other than the
17 participation in the Class Settlement Agreement as provided herein) in which any of the Released
18 Claims or Unknown Claims are asserted.

19 12. Upon entry of the Final Approval Order, the Releasing Parties shall be barred
