Docket No. **TSCA-04-2026-6006(b)**

CONSENT AGREEMENT

I. NATURE OF ACTION

1. This is an administrative penalty assessment proceeding brought under Section 16(a) of the Toxic Substances Control Act (TSCA or the Act), 15 U.S.C. § 2615(a), and Sections 22.13(b) and 22.18 of the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits* (Consolidated Rules), as codified at Title 40 of the Code of Federal Regulations (C.F.R.), Part 22.
2. This Consent Agreement and the attached Final Order shall collectively be referred to as the CAFO.
3. Having found that settlement is consistent with the provisions and objectives of the Act and applicable regulations, the Parties have agreed to settle this action pursuant to 40 C.F.R. § 22.18 and consent to the entry of this CAFO without Respondent's admission of violation or adjudication of any issues of law or fact herein.

II. PARTIES

5. Respondent is ChromaScape, LLC, a limited liability company doing business in the State of South Carolina. This proceeding pertains to Respondent's facility located at 105 Wood Street, Greenville, South Carolina 29611 (Facility).

III. GOVERNING LAW

6. Section 8(b) of TSCA, 15 U.S.C. § 2607(b), requires the EPA to compile, keep current, and publish a list of each chemical substance that is manufactured or processed, including imports, in the United States for uses under TSCA. The list is commonly known as the “TSCA Inventory” but is also referred to as the TSCA “Master Inventory File” as defined in 40 C.F.R. § 711.3.
7. Pursuant to Section 15(1) of TSCA, 15 U.S.C. § 2614(1), it is unlawful for any person to fail or refuse to comply with any rule or order promulgated pursuant to Sections 5 and 13 of TSCA, 15 U.S.C. §§ 2604 and 2612. Pursuant to Section 15(3) of TSCA, 15 U.S.C. § 2614(3), it is unlawful to fail to submit notices as required by TSCA or a rule issued thereunder.
8. The term “person” is defined in 40 C.F.R. § 704.3, to include any individual, firm, company, corporation, joint venture, partnership, sole proprietorship, association, or any other business entity; any State or political subdivision thereof; any municipality; any interstate body; and any department, agency, or instrumentality of the Federal Government.
9. The term “importer” is defined in 40 C.F.R. § 704.3, to mean any person who imports any chemical substance or any chemical substance as part of a mixture or article into the customs territory of the United States.
10. The term “import” is defined in 40 C.F.R. § 704.3, to mean to import for commercial purposes.
11. The term “import for commercial purposes” is defined in 40 C.F.R. § 704.3, to mean to import with the purpose of obtaining an immediate or eventual commercial advantage for the importer and includes the importation of any amount of a chemical substance or mixture.
12. The term “manufacturer” is defined in 40 C.F.R. § 711.3, to mean a person who imports, produces, or manufactures a chemical substance.
13. Pursuant to 40 C.F.R. § 720.3 and 40 C.F.R. § 720.25(a), a chemical substance that is not listed on the TSCA Inventory is classified as a new chemical substance.
14. Pursuant to Section 5(a)(1) of TSCA, 15 U.S.C. § 2604(a)(1), and 40 C.F.R. §§ 720.22(b)(1) and 720.40(b), any person who intends to import a new chemical substance into the United States for commercial purposes must submit a premanufacturing notice (PMN) at least 90 calendar days before the import of the new chemical substance for commercial purposes begins, unless the substance is excluded under 40 C.F.R. § 720.30 or exempted pursuant to 40 C.F.R. Part 723.
15. Pursuant to 40 C.F.R. § 720.120(b), a person who manufactures a new chemical substance before a PMN is submitted and the PMN review period expires is in violation of Section 15 of the Act even if that person was not required to submit the PMN under 40 C.F.R. § 720.22.
16. Section 13(a)(1)(B) of TSCA, 15 U.S.C. § 2612(a)(1)(B), provides that the Secretary of the Treasury shall refuse entry into the customs territory of the United States of any chemical substance, mixture, or article containing a chemical substance or mixture offered for such entry

if: (i) it fails to comply with any rule in effect under TSCA; or (ii) it is offered for entry in violation of Section 5 of TSCA, 15 U.S.C. § 2604, or a rule or order issued under Section 5 of TSCA.

17. Pursuant to Section 13(b) of TSCA, 15 U.S.C. § 2612(b), the Secretary of the Treasury, in consultation with the Administrator of the EPA, promulgated rules for the administration of Section 13(a) of TSCA concerning the importation of chemicals, codified at 19 C.F.R. §§ 12.118 – 12.127.
18. Pursuant to 19 C.F.R. § 12.121(a)(1), the importer or the authorized agent of such an importer of a TSCA chemical substance in bulk form or as part of a mixture, must certify in writing or electronically that the chemical shipment complies with all applicable rules and orders under TSCA, by filing with Customs and Border Protection (CBP) the following statement: “I certify that all chemical substances in this shipment comply with all applicable rules or orders under TSCA and that I am not offering a chemical substance for entry in violation of TSCA or any applicable rule or order thereunder.”
19. At 40 C.F.R. § 707.20, the EPA sets forth its policy statement regarding importation of chemical substances, mixtures, and articles under Section 13 of TSCA and includes further explanation of the import regulations promulgated at 19 C.F.R. §§ 12.118 *et seq.* pursuant to Section 13(b) of TSCA.
20. Any information Respondent has claimed as Confidential Business Information which may support or form the basis for this CAFO has been intentionally redacted. To determine the identity of the chemical substance referenced in this CAFO, or to identify any other information designated as CBI, Respondent and/or Complainant should refer to the Opportunity to Show Cause letter dated March 21, 2024, sent to Respondent identifying potential violations of TSCA and notifying Respondent of the opportunity to show cause why the EPA should not proceed with an enforcement action.

IV. FINDINGS OF FACTS

21. Respondent is a person as defined in 40 C.F.R. § 704.3. Respondent engages in chemical manufacturing, processing, and importing.
22. On September 25, 2023, the EPA issued Respondent a Notice of Inspection notifying Respondent that the EPA would be conducting an inspection of Respondent’s Facility pursuant to Section 11(a) of TSCA, 15 U.S.C. § 2610(a), to evaluate Respondent’s compliance with TSCA. In response to the Notice of Inspection, on October 17, 2023, Respondent submitted certain records to the EPA pertaining to its manufacture, processing, and importation of chemicals.
23. On October 25, 2023, authorized agents of the EPA conducted an inspection at Respondent’s Facility. On request from the EPA, Respondent submitted additional records related to the inspection to the EPA on January 22, 2024.
24. On March 21, 2024, after reviewing records submitted by Respondent, the EPA issued Respondent an Opportunity to Show Cause letter alleging that Respondent had potentially violated Sections 5, 13, and 15 of TSCA, 15 U.S.C. §§ 2604, 2612, and 2614, by failing to

comply with the PMN regulations under 40 C.F.R. Part 720, and the import certification requirements found under 19 C.F.R. § 12.121, as restated in 40 C.F.R. § 707.20. On April 19, 2024, Respondent provided a response to the Opportunity to Show Cause letter.

Premanufacture Notice for Chemical A [CBI Deleted]

25. The information submitted by Respondent established that Respondent failed to submit a PMN at least 90 calendar days before the first date of import of Chemical A for commercial purposes in 2020, and that Respondent imported Chemical A on two occasions in 2020 for commercial purposes.
26. At the time Respondent imported Chemical A in 2020, the chemical substance was not included in the TSCA Inventory and, therefore, was a “new chemical substance” pursuant to 40 C.F.R. §§ 720.3. and 720.25(a). At the time of import, Chemical A was neither excluded under 40 C.F.R. § 720.30 nor exempted pursuant to 40 C.F.R. Part 723.

Import Certification Requirements for Chemical A [CBI Deleted]

27. On each occasion when Respondent imported Chemical A in 2020, Respondent filed a written certification that the import complied with all applicable rules under TSCA. Respondent asserts it made these certifications in reliance on documentation provided by the supplier of Chemical A. However, because the imported chemical substance had in fact been subject to PMN requirements, and Respondent had not submitted a PMN as required by the rules found at 40 C.F.R. Part 720, Respondent’s certification was incorrect and was not in compliance with the requirements of 19 C.F.R. § 12.121.

V. ALLEGED VIOLATIONS

28. Based on the EPA’s investigation, including a review of Respondent’s records as set forth above, the EPA alleges that Respondent:
 - a. Failed to submit a PMN at least 90 calendar days before importing Chemical A, a new chemical substance, in violation of 40 C.F.R. §§ 720.22, 720.40(b), and 720.120(b), and Sections 5(a)(1) and 15(3) of TSCA, 15 U.S.C. §§ 2604(a)(1) and 2614(3); and
 - b. Submitted incorrect certifications that its importations of Chemical A were in compliance with TSCA, in violation of 19 C.F.R. § 12.121(a)(1), and Section 15(1) of TSCA, 15 U.S.C. § 2614(1).

- d. waives any right it may have pursuant to 40 C.F.R. § 22.8 to be present during any discussions with, or to be served with and reply to, any memorandum or communication addressed to EPA officials where the purpose of such discussion, memorandum, or communication is to persuade such official to accept and issue this CAFO;
- e. waives any rights or defenses that Respondent has or may have for this matter to be resolved in federal court, including but not limited to any right to a jury trial, and waives any right to challenge the lawfulness of the Final Order accompanying this Consent Agreement;

32. In accordance with 40 C.F.R. § 22.5, the individuals named in the Certificate of Service are authorized to receive service related to this proceeding and the Parties agree to receive service by electronic means.

VII. TERMS OF PAYMENT

33. Respondent consents to the payment a civil penalty, which was calculated in accordance with the Act, in the amount of **THIRTY-SEVEN THOUSAND FOUR HUNDRED DOLLARS (\$37,400.00)**, which is to be paid within thirty (30) days of the Effective Date of this CAFO.

34. Respondent shall pay the civil penalty and any interest, fees, and other charges due using any method, or combination of appropriate methods, as provided on the following EPA website: <https://www.epa.gov/financial/makepayment>. For additional instructions, see: <https://www.epa.gov/financial/additional-instructions-making-payments-epa>. In addition, the Respondent shall identify every payment with Respondent's name and the docket number of this CAFO, Docket No, TSCA-04-2026-6006(b).

36. "Proof of payment" means, as applicable, a copy of the confirmation of credit card or debit card payment, confirmation of wire or Automated Clearing House transfer, and any other information required to demonstrate that payment has been made according to EPA requirements, in the amount due, and identified with Respondent's name and Docket No. TSCA-04-2026-6006(b).

37. Interest, Charges, and Penalties on Late Payments. Pursuant to 15 U.S.C. § 2615, 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to timely pay any portion of the civil penalty under this CAFO, the entire unpaid balance of the civil penalty and all accrued interest shall become due and owing, and the EPA is authorized to recover the following amounts:

- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid in full within thirty (30) days of the Effective Date of this CAFO, interest accrued is waived. If the civil penalty is not paid in full within thirty (30) days, interest will continue to accrue until any unpaid portion of the civil penalty as well as any interest, penalties, and other charges are paid in full. To protect the interests of the United States, the rate of interest is set at the IRS standard underpayment rate, as any lower rate would fail to provide Respondent adequate incentive for timely payment.
- b. Handling Charge. Respondent will be assessed monthly a charge to cover the EPA's costs of processing and handling overdue debts. If Respondent fails to pay the civil penalty in accordance with this CAFO, the EPA will assess a charge to cover the costs of handling any unpaid amounts for the first thirty (30) day period after the Effective Date. Additional handling charges will be assessed each subsequent thirty (30) days, or any portion thereof, until the unpaid portion of the civil penalty, as well as any accrued interest, penalties, and other charges are paid in full.
- c. Late Payment Penalty. A late payment penalty of six percent (6%) per annum will be assessed monthly on all debts, including any unpaid portion of the civil penalty, interest, and other charges, that remain delinquent more than ninety (90) days.

38. Late Payment Actions. In addition to the amounts described in the prior Paragraph, if Respondent fails to timely pay any portion of the civil penalty, interest, or other charges and penalties per this CAFO, the EPA may take additional actions. Such actions the EPA may take include, but are not limited to, the following:

- a. Refer the debt to a credit reporting agency or a collection agency (*see* 40 C.F.R. §§ 13.13 and 13.14);
- b. Collect the debt by administrative offset (i.e., the withholding of money payable by the United States government to, or held by the United States government for, a person to satisfy the debt the person owes the United States government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (*see* 40 C.F.R. Part 13, Subparts C and H);
- c. Suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds (*see* 40 C.F.R. § 13.17); and/or
- d. Per 15 U.S.C. § 2615(a), the Attorney General will bring a civil action in the appropriate district court to recover the full remaining balance of the debt plus interest. In any such action, the validity, amount, and appropriateness of the civil penalty shall not be subject to review.

39. Allocation of Payments. Pursuant to 31 C.F.R. § 901.9(f) and 40 C.F.R. § 13.11(d), a partial payment of debt will be applied first to outstanding handling charges, second to late penalty

charges, third to accrued interest, and last to the principal that is the outstanding civil penalty amount.

40. Tax Treatment of Penalties. Penalties, interest, and other charges paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

VIII. EFFECT OF CAFO

41. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged in Sections IV and V above.
42. In accordance with 40 C.F.R. § 22.18(c), full payment of the civil penalty, as provided in Section VII (Terms of Payment) shall satisfy the requirements of this CAFO but shall not, in any case, affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.
43. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
44. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to an imminent hazard as authorized under Section 7 of the Act.
45. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
46. The provisions of this CAFO shall apply to and be binding upon Respondent and its successors and assigns. Respondent shall direct its officers, directors, employees, agents, trustees, and authorized representatives to comply with the provisions of this CAFO, as appropriate.
47. Any change in the legal status of Respondent, or change in ownership, partnership, corporate or legal status relating to the Facility, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
48. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential information under Section 14 of TSCA, 15 U.S.C. § 2613, and 40 C.F.R. Part 2 and the Freedom of Information Act (FOIA), or personally identifiable information.
49. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.

50. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
51. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning the settlement of this enforcement matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
52. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
53. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other party or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
54. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

IX. EFFECTIVE DATE

55. This CAFO shall become effective after execution of the Final Order by the Regional Judicial Officer, on the date of filing with the Regional Hearing Clerk.
