Court Approved Legal Notice

NOTICE OF ALLOCATION AND DISTRIBUTION PLAN FOR STATE ATTORNEYS GENERAL GENERIC PRESCRIPTION DRUG SETTLEMENTS

If you bought certain generic prescription drugs in the United States between May 1, 2009, and December 31, 2019, you could receive money from State Attorneys General Settlements by submitting an eligible claim by March 8, 2027.

A federal court directed this Notice.
This is not a solicitation from a lawyer.

- Multiple settlements have been reached with some generic prescription drug manufacturers in three consumer protection and antitrust lawsuits originally brought by Attorneys General of 50 states, commonwealths, or U.S. territories, and the District of Columbia against a large number of the nation's largest generic drug manufacturers ("States' Actions"). The lawsuits are being pursued by the attorneys general of Connecticut, Alaska, Arizona, California, Colorado, District of Columbia, Delaware, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Northern Mariana Islands, Ohio, Oklahoma, Oregon, Pennsylvania, Puerto Rico, Rhode Island, South Carolina, South Dakota, Tennessee, U.S. Virgin Islands, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, and Wyoming (the "State Attorneys General") to recover restitution for their consumers who bought certain prescription drugs ("Drugs at Issue").

- The State Attorneys General have accumulated Consumer Restitution Funds from settlements reached in the States' Actions and have proposed an Allocation and Distribution Plan to distribute the Consumer Restitution Funds to Eligible Consumers who submit timely claim forms.

- You may be eligible to receive payment if you are an individual who bought one or more Drugs at Issue in the U.S. between May 1, 2009, and December 31, 2019 ("Time Period"); did not buy them for resale or directly from any Defendant; are not an officer, director, management, or employee of any Defendant; and currently reside in a state, commonwealth, or territory that is a party to one or more settlements, or you currently reside in Alabama, Arkansas, Hawaii, or Texas (for Apotex-only eligibility). Eligibility is based on where you reside when you submit your claim, not where you made your purchases.

- To receive payment, you must submit a valid, signed, and completed Claim Form certifying eligibility and purchases of at least one Drug at Issue during the Time Period. The deadline for submitting a Claim is **March 8, 2027.** You may submit online at AGGenericDrugsClaims.com or download a form from the settlement website AGGenericDrugs.com and mail it to the Claims Administrator at the address on the form. Only valid claims submitted by the Claims Deadline will be included in the Initial Distribution; however, late valid claims may be considered for future distributions. Payments will be made after the Claims Deadline passes, claims are reviewed, disputes are resolved, and the Court grants final approval of the Allocation and Distribution Plan.

- This Notice is a summary and not intended to set forth all the details of the Allocation and Distribution Plan. For additional information and important documents visit the website AGGenericDrugs.com or call 1-866-290-0182.

BASIC INFORMATION

1. What Is This Notice About?

This Notice is to inform you about a proposed Allocation and Distribution Plan for the allocation and distribution of Consumer Restitution Funds recovered by the State Attorney General from settlements reached in the States' Actions with some Defendants (the "Settlements") *before* the Court decides whether to approve the Allocation and Distribution Plan, so that you may determine whether to take steps to opt out, object, or otherwise protect your rights. This Notice explains the lawsuits, the Allocation and Distribution Plan, and your legal rights.

The court in charge is the United States District Court for the District of Connecticut. The lawsuits at issue are *State of Connecticut et al. v. Aurobindo Pharma USA, Inc. et al.*, No. 16-cv-02056 (D. Conn.); *State of Connecticut et al. v. Teva Pharmaceuticals USA, Inc. et al.*, No. 19-cv-00710 (D. Conn.); and *State of Connecticut et al. v. Sandoz, Inc. et al.*, No. 20-cv-00802 (D. Conn.) (collectively referred to as "States' Actions"). The State Attorneys General that sued are called Plaintiffs, and the companies they sued are called the Defendants.

2. What Are the Lawsuits About?

The lawsuits claim that numerous Defendants and their alleged co-conspirators agreed to fix prices and split customers for prescription drugs sold in the United States. As a result, consumers who bought certain generic prescription drugs ("Drugs at Issue") may have paid more than they should have. The Defendant drug manufacturers deny they did anything wrong. Some Defendants have agreed to settle the case with no admission of liability ("Settling Defendants"). The lawsuits are not about – and do not question – the safety or effectiveness of any of the Drugs at Issue.

3. Who Are Settling Defendants?

The Settling Defendants are Heritage Pharmaceuticals Inc., Emcure Pharmaceuticals Ltd., and Satish Mehta ("Heritage Settlement"), Apotex Corp. ("Apotex Settlement"), Bausch Health US, LLC and Bausch Health Americas, Inc. ("Bausch Settlement"), Lannett Company, Inc. ("Lannett Settlement"), and Glenmark Pharmaceuticals, Inc., USA. ("Glenmark Settlement") (pending Court approval as of 7/31/26).

Other defendants include Actavis, Amneal, Ascend, Aurobindo, Breckinridge, Citron, Dr. Reddy's, Fougera (see Sandoz), G&W, Greenstone, Lupin, Mallinckrodt, Mayne Pharma, Mylan, Par Pharmaceutical (Endo bankruptcy), Perrigo, Pfizer, Sandoz, Sun, Taro, Teligent, Teva, Upsher-Smith, Valeant, Wockhardt, and Zydus.

A full list of the Defendants and the Drugs at Issue in this litigation and Settlements is available at www.AGGenericDrugs.com.

4. What Is the Allocation and Distribution Plan?

The Plaintiff States propose this Plan of Allocation and Distribution to allocate Consumer Restitution Funds received in multiple settlements in the States' Actions to Eligible Consumers who submit timely Claim Forms and whose claims are accepted. The Plan is designed to be efficient, fair, and reasonable, and to facilitate consumer participation.

The Settlements provide that Settling Defendants will make monetary payments of which roughly 45% is allocated to restitution for consumers residing in the states represented by the State Attorney General to compensate consumers who may have paid more than they should have bought for certain generic prescription drugs because of Defendants conduct ("Consumer Restitution Funds"). The State Attorneys General have recovered approximately $ 25-30 million in Consumer Restitution Funds from Settling Defendants and expect additional settlements and payments.

The proposed Allocation and Distribution Plan ("Plan") is a framework for how the Consumer Restitution Funds will be divided and disbursed among consumers who are eligible to receive distribution from one or more of the Settlements. The Plan identifies which consumers are eligible to receive payment, how much each consumer will receive, and the procedures for processing and paying claims.

WHO IS ELIGIBLE UNDER THE PLAN

5. How Do I Know if I Am Eligible to Receive Payment?

Generally, you are eligible for a payment if at any time from between May 1, 2009 to December 31, 2019 you bought a qualifying generic prescription drug (purchased in the United States and not for resale) manufactured by any of the Defendants and you currently reside in one or more of the following States or other jurisdictions: Connecticut, Alabama, Alaska, Arizona, Arkansas, California, Colorado, District of Columbia, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Northern Mariana Islands, Ohio, Oklahoma, Oregon, Pennsylvania, Puerto Rico, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, U.S. Virgin Islands, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, and Wyoming.

Your eligibility for each settlement depends on your current state of residence at the time you submit your claim; eligibility varies across settlements, and residents of some states may be eligible for only certain settlements.

6. What Drug Purchases Qualify?

Qualifying Purchases are purchases of Drugs at Issue during May 1, 2009, through December 31, 2019 ("Time Period"). A list of the drugs at issue in the Settlements, the Allocation and Distribution Plan and the States' Actions is provided below and available at www.AGGenericDrugs.com or by calling 1-866-290-0182.

7. What Purchases Do Not Qualify?

You are not included if:

- You purchased the drugs outside of the United States;
- You purchased the Drugs at Issue directly from any of the Defendants;

THE STATES' LITIGATION

9. Why Are the Lawsuits Continuing if There Are Settlements?

Settlements have been reached with some but not all the Defendants. Additional money may become available in the future because of a trial, future settlements, or additional payments required under settlements. Additional proceeds from Non-Settling Defendants are not guaranteed.

Because the lawsuits are continuing against Non-Settling Defendants which may result in future settlements and possible additional money, in addition to submitting a Claim Form (if eligible) please register at the website, www.AGGenericDrugs.com, or call 1-866-290-0182, to be notified of any future settlements, distributions, and other updates from the States' Actions.

THE CLAIMS PROCESS

10. How Do I Participate in the Distribution?

To receive payment, you must submit a valid claim form *before* the claims period ends.

11. What Is the Deadline for Submitting a Claim?

The claims period begins **September 22, 2026** and closes on **March 8, 2027** (the "Claims Deadline").

Only consumers who submit a signed, valid, and complete Claim Form by the Claims Deadline will be entitled to distribution in the Initial Distribution; late but valid claims may be considered in future distributions.

A future final Claims Deadline will bar your participation in any distribution if a valid Claim Form is not submitted by that date, unless otherwise ordered by the Court.

12. How Do I Submit a Claim?

You may submit a Claim Form online at AGGenericDrugsClaims.com. The Claim Form can also be downloaded from the website - www.AGGenericDrugs.com - and submitted by mailing a hard copy to the Claims Administrator (using the address shown on the Claim Form).

13. What Information Do I Need to Provide to Submit a Claim?

The Claim Form requires you to provide your personal information including name, date of birth, mailing address, email, and phone number, and select a preferred payment method (PayPal, Venmo, Zelle, or mailed check).

You must certify that you are an individual, purchased one or more Drugs at Issue in the United States during the Time Period, did not purchase for resale or directly from Defendants, and are not an officer, director, management, or employee of a Defendant or its subsidiaries or affiliates, and you must sign and date the certification.

For most Eligible Consumers, the Claim Form offers two options per settlement for which you are eligible: Option 1 provides an equal share among all Option 1 claimants, and Option 2 provides a share based on your estimated out of pocket spend. Estimated out of pocket spend is the total amount you estimate you paid out of pocket for Drugs at Issue during the Time Period.

If you choose Option 2, you will be required to provide an estimate of your out of pocket spend on the Drugs at Issue during the Time Period. Estimation tips and tools are available at www.AGGenericdrugs.com/English/Estimate. If you choose Option 2, your payment may be higher than the equal share under Option 1, and in all cases will not be less than what you would receive under Option 1. If you choose Option 1, you will not be required to provide an estimate of your out of pocket spend on the Drugs at Issue during the Time Period. If you fail to choose an option, you will be placed into Option 1 by default.

Eligible Consumers residing in Alabama, Arkansas, Hawaii, or Texas, will only receive a payment of a fixed amount to be determined later and funded only from the Apotex settlement. If you reside in Alabama, Arkansas, Hawaii, or Texas, you do not select Option 1 or Option 2.

14. Do I Need to Submit Receipts?

No receipts are required with your Claim Form of your purchases of the Drugs at Issue. If you choose Option 2, the Claims Administrator may later request documentation to corroborate your estimated out of pocket spend (and if so, a lack of documentation could affect an Eligible Consumer's payment).

THE DISTRIBUTION OF PAYMENTS

15. How Much Money Will I Receive?

At this time, how much each Eligible Consumer will receive who submits a signed, valid, and complete Claim Form is unknown, as this will depend on numerous factors, in particular the number and amount of timely, eligible claims submitted, the total money amount available in the Consumer Restitution Fund after receipt of all settlements and/or judgments, and the plan of distribution approved by the Court.

The Claims Administrator will allocate funds per settlement across Option 1 and Option 2 groups (and, for Apotex, an additional allocation for Eligible Consumers in Alabama, Arkansas, Hawaii, or Texas) to ensure an equitable allocation while not exceeding available funds.

16. How Will I Get My Payment?

Payments will be made via your selected method; electronic payment (PayPal, Venmo, or Zelle) is encouraged; mailed checks may be delayed by months due to higher processing and delivery costs and consolidation of payments. Failure to select a method of payment will result in you receiving a check mailed to the address listed on the Claim Form.

17. When Will I Get My Payment?

Payments will be made after the Claims Deadline expires, all timely claims are reviewed, amounts to be paid to different claimants are determined, any disputes are resolved, and the Court grants final approval of the Plan and authorizes payment.

Money will not be distributed until the Court holds a hearing ("Approval Hearing") and grants final approval of the Allocation and Distribution Plan. The Approval Hearing is set for **September 8, 2027**.

18. Does My Payment Expire?

Once payment is issued by the Claims Administrator, you will have one hundred eighty (180) days to claim the payment. If you *do not* cash your check or accept receipt of the electronic payment within one hundred eighty (180) days, the payment will be cancelled and will remain in the Consumer Restitution Funds and added to the balance available for future distribution to claimants.

You may request reissuance of a cancelled payment within ninety (90) days after expiration and if you do not do so, you lose all claim to that payment and must submit a new updated Claim Form for consideration in future distributions.

THE CLAIMS REVIEW PROCESS AND DENIAL OF CLAIMS

19. What Happens if My Claim Is Incomplete or Deficient?

The Claims Administrator will review all Claim Forms for timeliness, completeness, eligibility, and, where appropriate, corroboration; if your claim is incomplete, deficient, or raises questions, you will be contacted by mail, email, or telephone.

You will have twenty-one (21) calendar days from the date of the Claims Administrator's communication to provide a complete response or cure deficiencies; failure to timely cure may result in rejection, adjustment, or conversion to an Option 1 claim.

The Claims Administrator or the Court may deny, in whole or in part, any claim if it determines that a Consumer is not eligible to receive distribution from the Consumer Restitution Funds, or if there are legal or equitable grounds for rejection of the claim.

You will be notified of any change to your claim and your right to seek review by the Court.

20. If My Claim Is Denied, Can I Appeal a Denial?

Decisions of the Claims Administrator on disputes (including timeliness, completeness, documentation, calculation, or amount payable) are final, subject to your right to seek review by the Court.

Any appeal must be submitted in writing to the Court, with copies to the Claims Administrator and States' counsel, within twenty-one (21) calendar days of the final rejection notice.

FUTURE DISTRIBUTIONS

21. Will There Be Additional Distributions or Payments?

The State Attorneys General will continue to pursue the lawsuits against the Non-Settling Defendants and will continue to explore additional settlements. All settlement funds allocated as Consumer Restitution Funds will be accumulated in an escrow account and distributed in future distributions, at the conclusion of the lawsuits, or as ordered by the Court.

22. Do I Need to Submit Another Claim Form for Future Distributions?

No. All valid Claim Forms submitted by the Claims Deadline will also be considered for all future distributions.

23. What If I Move After I Submit a Claim?

Your place of residence at the time of submitting your claim determines which settlement funds you may receive from. Moving after filing will not cause you to lose eligibility for distributions already qualified for. You may request review and recalculation if your new residence makes you eligible for additional settlement funds. If so, you would be required to submit a new claim to qualify for payments you previously did not qualify for because of your residence.

REMAINING IN THE STATES ACTIONS

24. What Am I Giving Up If I Stay in the States' Actions?

Unless you exclude yourself, you will be bound by any decisions by the Court relating to the States' Actions, the Allocation and Distribution Plan, and the underlying Settlements from which the restitution money in the Consumer Restitution Fund is derived.

In return for paying the settlement amounts and providing non-monetary benefits, the Settling Defendants will be released for certain claims relating to the facts underlying the States' Actions. The settlement agreements describe the releases, so read them carefully, since those releases will be binding if the Court approves the Settlements. If you have any questions, you can call the toll-free number below or you can talk to your own lawyer (at your own expense) if you have questions about what this means. The settlement agreements and the specific releases are available at www.AGGenericDrugs.com.

If you hire a lawyer to make an objection, your lawyer must also file a Notice of Appearance with the Clerk of the Court **no later than March 8, 2027**.

28. What Is the Difference Between Objecting to the Allocation and Distribution Plan and Excluding Myself from the Allocation and Distribution Plan and States' Actions?

Objecting to the Allocation and Distribution Plan simply means telling the Court that you do not like something about the Allocation and Distribution Plan or have certain concerns about the Allocation and Distribution Plan. Objecting does not disqualify you from making a claim nor does it make you ineligible to receive a payment.

If you exclude yourself from the Allocation and Distribution Plan or the States' Actions, you are no longer part of the Allocation and Distribution Plan or the States' Actions. Therefore, you will not be eligible to receive any payments from the States' Actions, and you will not be able to object to the Allocation and Distribution Plan. You will not be subject to the terms and conditions of the Settlements.

THE FINAL APPROVAL HEARING

29. When and Where Will the Court Decide Whether to Approve the Allocation and Distribution Plan?

The Court will hold a Final Approval Hearing on the Allocation and Distribution Plan on **September 8, 2027, at 10:00 a.m.**, at the Abraham Ribicoff Federal Building, United States Courthouse, 450 Main Street – Annex 135, Hartford, Connecticut 06103, Courtroom 3. The hearing may be moved to a different date or time without additional notice, so check www.AGGenericDrugs.com for current information or call 1-866-290-0182 if you want to find out if the hearing has been rescheduled. At the Fairness Hearing, the Court will consider whether the Allocation and Distribution Plan is fair, reasonable, and adequate. If there are objections or comments, the Court will consider them at that time. After the hearing, the Court will decide whether to grant final approval to the Allocation and Distribution Plan. We do not know how long these decisions will take.

Subsequent Settlements will be scheduled for final approval hearings at future dates. Check www.AGGenericDrugs.com for current information or call 1-866-290-0182 for updated information regarding final approval hearings.

30. Do I Have to Attend the Final Approval Hearing?

No. Counsel for the State Attorneys General will be prepared to answer questions about the Allocation and Distribution Plan. Individuals who have filed and served written objections may (but do not have to) appear at the Final Approval Hearing, in person or through an attorney hired at their own expense.

31. Can I Attend the Final Approval Hearing?

Yes. Anyone can attend the Final Approval Hearing and watch. If you want to attend and observe, you do not have to do anything.

If you want to attend and object, in-person or through an attorney hired at your own expense, you need to mail a written Notice of Intent to Appear to the address listed in Question 28 so that it is received by **March 8, 2027**. The Notice of Intent to Appear must contain the following information:
